

Western Health Advantage

Western Health Advantage is thrilled to be a member of the San Rafael Chamber of Commerce. Membership in the Chamber gives WHA wonderful exposure to the San Rafael business community. We look forward to our continued membership with the Chamber and all the benefits it has to offer.

Headquartered in Sacramento, Western Health Advantage is a non-profit HMO health plan founded in 1996 with a community-based mission by doctors and health care providers. WHA currently serves more than 135,000 members, with annual premium revenue exceeding \$750M. With a focus on being a market leader in quality and affordability since 1996, WHA will serve 13 Northern California counties in 2018 (Sacramento, El Dorado, Placer, Yolo, Colusa, Solano, Napa, Sonoma, Marin, San Francisco, San Mateo, Alameda and Contra Costa). The WHA provider network will include 25 hospitals and major medical centers and 5,800 doctors and specialists from eight medical groups.

We are committed to improving the health and well-being of our neighbors, which is why each year WHA provides about \$1.5 million in financial assistance and more than 2,000 volunteer hours for cultural and community events, as well as health and human services organizations. WHA encourages our members and 250 employees to participate in local events and make our communities better places.
