

Western Health Advantage

Western Health Advantage is thrilled to be member of the San Rafael Chamber of Commerce. Membership in the Chamber gives WHA wonderful exposure to the San Rafael business community. We look forward to our continued membership with the Chamber and all the benefits it has to offer.

Founded in 1996 by UC Davis Health System, Dignity Health and NorthBay Healthcare, Western Health Advantage delivers the employees of more than 4,000 local businesses and organizations, individuals and families access to health care. In addition, WHA is a proud partner of Covered California for Small Business and the Individual Marketplace.

We are committed to improving the health and well-being of our neighbors which is why each year, Western Health Advantage provides close to \$1.5 million in financial assistance and more than 2,000 volunteer hours for a variety of cultural and community events, as well as health and human services organizations. WHA encourages its 180 employees and 120,000 members to participate in local events and make our communities better places.

Western Health Advantage is affiliated with the leading hospitals and doctors throughout Northern California. Our network of more than 3,000 providers and 15 hospitals has no limits-regardless of your plan. We're not a statewide health plan, and we like it that way. If you're looking for local people you can reach in person, or on the phone, that's us.
