

The San Rafael Chamber of Commerce
Leaders Circle

For over 60 years, Whistlestop has helped older adults and people with disabilities in Marin to thrive through the power of human connections.

Although Whistlestop is perhaps best known for our **various transportation programs that provide nearly 400,000 rides a year**, we also provide a multitude of programs and services uniquely designed to keep our most isolated neighbors vibrant and connected to the community.

Did you know that Whistlestop offers free weekly blood pressure and cholesterol checks? How about ESL and citizenship classes, free legal counsel, and housing assistance? We also offer one of the best Zumba classes in town, along with computer training, ukulele classes, and volunteer opportunities. [Here's a calendar](#) of classes and events going on this month at our **Active Aging Center** in downtown San Rafael. We hope you'll stop by soon!

Whistlestop delivers Meals on Wheels for most of Marin, in addition to six other **nutrition services** to help nourish the bodies and souls of our neighbors in need. Our fresh, affordable and delicious Jackson Café is open to the public. [We hope you'll consider hosting your next business breakfast or event with us.](#)

As the fastest aging county in the state, the demand for our services keeps growing. **We are looking for CarePool volunteers** to drive seniors to the grocery store or medical appointments. It's a meaningful way for anyone with a car, insurance and a clean driving record to give back, with flexible scheduling around volunteers' availability. [Watch this video](#) to learn more.

2016 was an exciting year: Whistlestop was voted "Best Nonprofit in Marin" by *Pacific Sun* readers, one of Marin's "Best Places to Work" by *North Bay Business Journal* and our CEO Joe O'Hehir was honored with a Nonprofit Leadership award, also by *North Bay Business Journal*. We're looking forward to continuing this momentum in 2017 as we forge ahead!

We couldn't do our important work without dedicated volunteers, business sponsors and donors like you. For **more information**, visit www.whistlestop.org. To **volunteer**, contact us at 415-456-9062, x117 or volunteer@whistlestop.org.
