The Washburn County Tourism Association is inviting residents to drop off new or gently used coats, sweaters, hats, mittens and other warm clothing items as part of the Wisconsin Department of Tourism's "The Big Bundle Up" campaign. The Big Bundle Up is a statewide collection program running Nov. 19, 2015 - Jan. 3, 2016.

With the spirit of the Holiday season upon us, donating winter items is the perfect way to give to families in need across the state.

A box will be located at the Washburn County Visitor Center in Spooner for donors to drop off warm clothing items. All items donated at this location will be given to Lakeland Family Resource Center. For more information about why Washburn County Tourism Association is participating in the Big Bundle Up, please contact Washburn County Tourism Association at 1-800-367-3306.

It's hard to believe it, but winter will return to Wisconsin and with it will come *hardwater* fishing. Now is the time to get ready for Wisconsin's Winter Free Fishing Weekend, January 16 - 17, 2016. Plan ice fishing outings for community groups, clubs, your church, family and friends.

Residents and nonresidents are welcome!

Fish anywhere in Wisconsin without a license or trout stamp on Free Fishing Weekend. This includes all inland waters and Wisconsin's side of the Great Lakes and Mississippi River. Other [fishing rules](#) apply, such as limits on the number and size of fish you can keep and any [seasons](#) when you must release certain fish species. So, pack up the family or call your friends and head to the water for fishing fun!

No ice fishing gear? No problem. We have ice fishing tip-ups and jigging rods that you can borrow at many state parks and DNR offices. You will need to either use your own ice auger, claim an abandoned hole, or better yet -- make friends with the anglers at the nearest ice fishing shantytown and ask them to drill you a hole or let you borrow their auger. Check out the [list of loaner sites](#) to find out where loaner sites are located. Call the contact person listed for the site near where you plan to fish to learn what specific equipment is available, and arrange to pick it up.

Thank you for investing in the future of our community and area businesses through your support, participation, and sponsorships. Please join us at our monthly meetings to share your input and stay up to date on all things "Jack."

Sincerely,

Executive Director Aaron Arf
