## About the food & wine tasting...

Enjoy food from local restaurants, tasting of wines, beer, raffle and auctions with a portion of the proceeds benefiting the following groups:

**Washburn County Area Humane Society** has had over 10,000 animals come through their shelter since opening in 2000. They care for these animals and provide basic medical attention until adopters can be found for them or until they can be returned to their rightful owners. They also educate the public on the importance of spay/neutering and basic animal care, and provide spay/neuter assistance for people who may need financial help for the surgery.

**F.I.S.H.** (Friends Into Spooner Hatchery) exists to increase conservation awareness through educational programming, outdoor exploration and exhibits at the Governor Tommy Thompson State Fish Hatchery in Spooner, Wisconsin.

**Embrace Services, Inc.** (Formerly Time Out Shelter) provides comprehensive safe shelter and supportive services to victims of domestic violence and sexual assault in the tri-county area of Washburn, Price and Rusk Counties. Embrace is the only domestic violence and sexual assault victim services provider in the area as well as the only accessible shelter for many neighboring Wisconsin Counties. Compassionate, nonjudgmental crisis support and intervention is also provided 24/7/365 via the crisis phone hotline and the new text line, implemented to better serve youth and victims with disabilities. Support groups are provided in Shelter on a regular basis and groups are held with students of all ages in the local schools focusing on self-esteem, empowerment and violence prevention. Life skills growth sessions, such as cooking on a budget and parent engagements skills, are additionally offered to residents on a weekly basis.
