

The Hopkinsville-Oak Grove-Christian County Military Affairs Committee is excited to offer you the opportunity to renew or pledge as an Eagle Ambassador. Eagle Ambassadors are individuals or organizations that make a monetary contribution to support the work of the Military Affairs Committee.

Your support allows the Military Affairs Committee to continue offering excellent programs and services such as Christian County Salutes Fort Campbell Week, the Hail and Farewell Party for members of the Fort Campbell Command Team, the annual Veteran's Parade, and the annual Citizens for Fort Campbell Trip. Resources are also vital as we continue our Operation Left Turn initiative by offering new events, enhancing community marketing efforts to other installations, and recruiting military families to make Christian County their permanent home.

The benefits of being an Eagle Ambassador are limitless. Eagle Ambassadors receive the latest information regarding Fort Campbell and its movements, are invited to social and networking functions with key leadership at Fort Campbell, and have the satisfaction of strengthening our relationship with Fort Campbell and supporting military families in our community.

For these reasons and more listed below, we hope you'll consider an Eagle Ambassador pledge and membership. **DON'T FORGET TO ASK US ABOUT OUR PACESETTER PLEDGE OPPORTUNITY!**
