

## MANUFACTURING INDUSTRIAL COUNCIL

# MEMBERSHIP INFORMATION

Memberships are available to manufacturing, industrial and maritime businesses in all sectors and to partners that provide services related to these sectors. Member benefits vary by investment level, and are as follows:

**\$1,000 – Member:** regular email updates on industry items and policy alerts, invites to industry events, opportunity to be content speaker for programming

**\$5,000 – Leadership Circle:** *all other previous plus:* Leaders help shape the course of the organization through active participation on the quarterly Leadership level members-only meetings, access to research and studies, annual one-on-one advocacy meeting “What Can We Do for You”

**\$10,000 – Vision Builder:** *all other previous plus:* receive correspondence directly from the Director informing them of important regional matters and seeking input on issues that impact business.

**\$25,000 – Executive Circle:** *all other previous plus:* seat on the executive committee, set the overall direction and focus of the organization, including setting the work program. Executive Circle members may request support, involvement, or intervention for specific issues or projects and work directly with the MIC Director, Chamber President and CEO and members of the team.
