MISSION

The Duneland Chamber of Commerce exists to serve its members and stimulate responsible economic growth thereby enhancing the area's quality of life. To be the premier influential leader for our businesses and communities elevating NWI as a destination to work, live and play.

VISION

To be the premier influential leader for our businesses and communities elevating NWI as a destination to work, live, and play.

WHY IS SPONSORSHIP IMPORTANT TO YOUR BUSINESS?

Our sponsorship packages are designed to build brand recognition across both diverse and targeted audiences. Through a balanced portfolio of community celebrations, business education, and networking events, you'll gain marketing access to key decision makers, business leaders, residents and shoppers within Duneland. Additionally, you'll publicly demonstrate your support of meaningful Chamber events and programming – a visible investment that will resonate positively within your own organization and customer base.

MULTIPLE LEVELS OF SPONSORSHIP

Select your level of sponsorship from among four customizable packages - Premier Partner, Platinum, Gold and Silver. Each progressive level of sponsorship offers higher brand visibility, increased access to community and business networking events, and greater partnership opportunities with the Duneland Chamber of Commerce leadership. Targeted sponsorship opportunities of individual programs or events are available via our Ala Carte Sponsorships. Fully customized sponsorship packages are available. Complete the enclosed form or give us a call.

“We are committed to promoting our supporters by **advocating**, **servicing**, and **assisting** for our sponsor's success.”
