MEMBERSHIP CHOICES

Members select the level of investment that fits their business' engagement goals.

LEADING INVESTOR

Perfect for established companies committed to shaping the future of our area. Also a good fit for businesses with multiple locations in our area.

Investment: \$ 1,300 / year
Value \$3125

"Our company is committed to the communities we serve. Being part of the Northwest OKC Chamber allows us to put that commitment into action. Being able to list our different locations in the directories and keeping our Chamber liaisons informed about events through calendar notifications makes it easy for customers to find us and for us to be engaged."

COMMUNITY BUILDER

Great for companies looking to embrace a community leadership role in NWOKC and interested in developing their staff.
Limited to businesses with fewer than 100 employees

Investment: \$ 860 / year
Value \$2,150

"As our company grows, it's vital that we have opportunities like BULLD NW and the Networking Boot Camp that allow us to develop our new leaders. Likewise, leveraging the marketing e-blast makes it easy and effective to deliver our message and connect with a key audience: Chamber members. "

CLASSIC PARTNER

Ideal for established and growing companies and those looking to increase their visibility by leveraging Chamber marketing opportunities.
Limited to businesses with fewer than 40 employees

Investment: \$ 530 / year
Value : \$1,855

"The Chamber provides resources like New Resident Welcome Bags that help us raise our profile and capitalize on the expansion in our targeted local market. Being able to tell our story through the Chamber's communication channels gives our company immediate credibility and name recognition . "

CORE MEMBER

Designed for small or start-up companies seeking to connect with businesses and the community.
Limited to businesses with fewer than 20 employees

Investment: \$ 330/ year
Value: \$1,320

"Just starting out, it's important that every cent we spend is bringing value. The relationships we're forming with Chamber members, the opportunities like ribbon cuttings and the members-only discounts we offer, and use, have more than paid for our investment."

CIVIC/NONPROFIT/CHURCH

Created to serve our mission as a Catalyst for Community Connections.
Only for qualified 501(c) organizations serving our community with limited paid staff

Investment: \$ 185 / year

"Being a part of the Chamber has helped us connect with volunteers and donors. We have found great Board Members and tapped into training opportunities that have helped us grow. We especially love the collaborations we've created by working with businesses that are also a part of the Chamber."
