

THE CENTRAL CHAMBER REPORT

Josh Parker of Parker Orthodontics says, "I'm In!"

Dr. Josh Parker is the new owner of an orthodontic practice in Central and a member of the City of Central Chamber of Commerce. Parker Orthodontics, formerly Harbour Orthodontics, is proud to serve the community of Central. Dr. Parker, a graduate of Central Private High School and LSU School of Dentistry, was born and raised in Central. "I knew that after I graduated I wanted to come home and open my own practice. Becoming a member of the Chamber has been very beneficial in promoting my practice and keeping me informed of what is going on in the community. It has allowed me to connect with people who have a vision and genuinely care about the future of Central." Dr. Parker provides quality orthodontic care for children, teens and adults.
