CA Report – A Great Monday!

The Tigers upset Ole Miss on Saturday night and the Saints were victorious over the Packers on Sunday. In the realm of Louisiana “sportsdom” how could you top a weekend like that? Well, then came Monday!

On Monday morning, as the sun began to rise and shine on the well-manicured greens at the Bluffs outside of Saint Francisville, you could tell that it was going to be a great day to participate in the Central Chamber’s Golf Scramble! The humidity was low, the sun was shining, a gentle breeze was blowing, food and beverages were plentiful and the scenery was wonderful! What more could you ask for? Realistically, the thrill of various victories on the golf course Monday probably did not match the weekend’s football triumphs. However, for those who participated in the Golf Scramble, the weather, the course, the provisions, the competition and the comradery certainly were the “icing on the cake” of this weekend’s activities. What a way to start the week!! Congratulations go out to the following teams:

1st place – Dow Louisiana Federal Credit Union

2nd place – IBTS

3rd place – AA Mini Storage

Funds raised through this tournament help the Chamber provide services and seminar training to our local businesses and allow us to be an integral part and support for our community. Thus, thanks go out to all our “Friends of Central” sponsors: AA Mini Storage, Brian Wilson – Assessor, Central Heating and Air, Central Super Suds Carwash, Dow LFCU, IBTS – City Services, McFearin Business Services, Mike Anderson’s, Mike Davis, Ochsner Health System, Professional Restoration Contractors, Stop Guarantee and Whitney Bank.

1st Place – DOW LFCU’s Team

For enabling everyone to have a great time, special thanks goes out to Golf Committee Chairperson Michael Loolara – State Farm, the staff and volunteers of the Central Chamber, the Bluffs’ crew, all of our corporate sponsors and all the teams who came out to enjoy this fabulous day!
