Oakland on the Map

Both new and long-time Oakland businesses are exposing the myriad of opportunities our hometown has to offer. *Oakland on the Map* recognizes a local organization or business person who has been particularly effective at championing Oakland to both our residents and those outside Oakland that want to be a part of our renaissance.

Deep Roots

As Oakland continues to grow, it's important to honor those long-time stewards of our economy who helped build out city's foundation. *Deep Roots* honor and a local company or individual who has been a major player in Oakland for many years.

Community Catalyst

Oakland has always had a solid foundation of organizations and individuals dedicated to the betterment of our community. They strive to lift up our citizenry and spark change where it's needed the most. The *Community Catalyst* award recognizes those contributions above and beyond the norm that benefit Oakland.

Innovate Oakland

Oakland entrepreneurialism is helping lead the way in being a model for inclusive, sustainable growth that creates jobs and opportunities for new and existing residents alike. *Innovate Oakland* honors an organization or leader in Oakland whose entrepreneurial activities contribute to both unique industry solutions, and benefit the city and those who live, work and play here.

Leadership Oakland Alumnus

Leadership Oakland is a nine-month Chamber program giving the city's current and future leadership the opportunity to gain an in-depth understanding of the role leadership plays in our city. *Leadership Oakland Alumnus* recognizes a graduate of Leadership Oakland who has gone on to exemplify the skills honed in the program to our city and business community as a leader.

Heart of Oakland

One enduring truth about Oakland is that our city has heart. No matter what coes, Oakland rises to meet it. *Heart of Oakland* honors a local organization or individual who has contributed to Oakland's persistent spirit.
