Get Ready for Golf Season... April 8th, 7-8pm
Workshops on Wellness
Promoting a Healthier Lifestyle in Waunakee

Sponsored by: Village Center of Waunakee and Waunakee-Westport Lions Club

“Golf Wellness and Conditioning! Is your Body Ready for the Upcoming Golf Season?”

Presented by: Kirk Schulz, PT and Dave Knight, LAT, UW Health Sports Medicine Golfers Clinic

Kirk Schulz and Dave Knight are the Program Coordinators for the UW Health Sports Medicine Golfers Clinic. The Golfers Clinic was created to help individuals address swing biomechanics, golf-related injuries and physical limitations that impact an individual’s golf swing. Kirk is a certified physical therapist and Dave is licensed athletic trainer. They are both certified by the Titleist Performance Institute.

Presentation Overview

Golfers and aspiring golfers won’t want to miss this presentation. Dave and Kirk will discuss common causes of golf injury and the body swing connection. The golf swing is a complex sequence of movements created by a series of muscular actions performed in a coordinated pattern, and that path is different for each golfer. Do you have a problem with slicing? You’ll learn of four key ways to cure the slice before you get to the golf course. Spring is upon us, so all of you golfers will welcome this helpful start for a season of pain free and enjoyable golf.
