## Help Us Build a Strong & Sustainable Creative Economy

*Waunablog: TUESDAY, SEPTEMBER 1, 2015*

### Calling All Creatives!

Help the Village of Waunakee better serve your needs! The Village is dedicated to building a vibrant and robust economy that best serves the community. It is committed to having a dynamic and growing creative sector as a key component of its economic landscape. Your opinion is vital to help us build a strong and sustainable creative economy.

You are invited you to take this short, [confidential survey](#). The survey will take ten minutes or less and you can be sure that your opinions will help guide strategy to grow our economy through a stronger creative sector. The survey deadline is Friday, September 18, 2015.

This survey was designed by and will be collated by our consultant, Christine Harris Connections. You can learn about Christine's background on her [website](#).

If you have any questions about the Village's work in the area of creative economy or the purposes for coordinating this survey, please don't hesitate to contact Village Administrator Todd Schmidt at [tschmidt@waunakee.com](mailto:tschmidt@waunakee.com) or 850-5227.
