

“The PACC EDGE”

Engage, Discuss, Grow, Educate

Rules of Engagement:

1. Must be a member in good standing.
2. Commitment to attendance and participation is mandatory to the success and harmony of the group - after missing three (3) meetings in a row, it’s up to the group to determine if the group member will be asked to leave or not. If a current “EDGE” member decides to leave their existing group, reassignment to a new group may take up to 6 months.
3. The minimum number of members suggested for groups is 5, the maximum is 9. Any more or less may become difficult to manage and limit the individual and collective value intended for the group meetings.
4. “EDGE” will be composed of non-competing businesses to ensure trust and confidentiality within the group.
5. The “EDGE” Committee will form new groups that are diverse in their revenue levels, size, and years in business.
6. If a member leaves a group, the leader will communicate that to their “EDGE” Committee liaison.
7. If a group disbands, the most recent leader will notify the “EDGE” Committee to place members in new groups.
8. The “EDGE” Committee will act as a clearinghouse when new members are needed within individual groups. They will officially place all new members within groups.
 - a. They will encourage groups to add members, when there’s an opening within a group, at diverse business revenue, size, and experience levels.
 - b. If a group has a new member preference, they will communicate that to the “EDGE” Committee liaison for a preferential placement opportunity.
 - c. Individual groups will have (4) weeks to communicate if a new member has joined and communicate that back to their liaison.
9. The “EDGE” Committee will consist of Board Members and General Members of the PACC that have been a member for at least (1) year.
10. The “EDGE” Committee suggests a First Meeting structure and structure for meetings thereafter. That structure is outlined in the “EDGE” Framework & Overview document.
