**Tell us an interesting and fun tidbit about your business.**

Fairfield National Bank is a division of The Park National Bank. Being a part of a larger corporation gives us the ability to take advantage of the benefits of a corporation, while still being able to make our own decisions and work with our customers to accomplish financial success.

**What's the favorite lunch food of you or your team?**

The Pickerington Office loves pizza and anything chocolate 😊

**Is there a special promotion you would like to share?**

Park National Bank, Fairfield National Division recently re-located our Pickerington office into the Sherman Center at 1274 Hill Road. This move has given us more room to expand our business and investment services as well as take better care of our retail clients. In addition, we now have a night drop in the front of the office and a drive-up ATM located in the parking lot, which is something our clients have been requesting for years.

## Meet Whootie!

We have a mascot, Whootie the Owl. A lot of people ask, why did you choose an owl? An owl is very wise and he is also nocturnal. We have several full-service offices open past 5:00 pm to help our customers with their financial needs.
