Revel in a Better Real Estate Experience

Experience exceptional service with a Montana grade personal touch.
WHETHER YOU’RE LOOKING for a great place to raise a family, run a business, enjoy your retirement or simply take a well-deserved vacation, look no further... Whitefish, Montana has something for everyone!

Founded at the turn of the 20th Century when the Great Northern Railway chose to put its northwestern Montana headquarters here, modern-day Whitefish is an island of commerce and culture, surrounded by an ocean of mountain recreation.

Nestled at the northernmost tip of the majestic Flathead Valley, Whitefish offers residents a peaceful-yet-active lifestyle that is the envy of communities near and far. All you have to do is pick your pleasure—from hiking & biking to boating & cycling, from skiing & skating to floatin' & fishin’, you’ll find all that (and more) in Whitefish!

Enjoy a world-class meal as you watch the summer sun set over Whitefish Lake. Take a leisurely stroll (or a vigorous run) on the miles of scenic trails that criss-cross the region. Escape to bag some “first tracks” at the ski area before you head to the office on Monday morning. Head downtown to shop the galleries and boutiques, then catch a performance by the Whitefish Theatre Company at the O’Shaughnessy Center. Enjoy everything that our community has to offer, and we guarantee... you’ll be hooked on Whitefish!

A dynamic economy and unsurpassed quality of life are just two of the things that make Whitefish the perfect place to live, work and do business. The Whitefish Chamber, in coordination with the city, county and a host of state and federal agencies, offers prospective business owners personalized service as they prepare to set-up shop, as well as ongoing support to companies that are already up-and-running. And a qualified, well-educated workforce stands ready to supply the manpower you need.

Our schools—from elementary on up to Flathead Valley Community College—are among the best in the state of Montana, offering students at every level a modern, comprehensive, high-quality educational experience.

When it comes to arts and culture, Whitefish has it covered! Top stars shine at both the O’Shaughnessy Center and the Whitefish Performing Arts Center year-round, where Broadway actors, the Glacier Symphony, legendary rock n’ roll and international dance troupes share the stage with the Bulldog Band, the high school drama club and the kids from North Valley Music School.

Convenient, state-of-the-art healthcare is another of the Whitefish community’s strong suits. Logan Health – Whitefish is one of the state’s most innovative and respected medical facilities, and dozens of specialized clinics and providers assure local residents and visitors easy access to the very best care for whatever may ail them.

But without question, our greatest natural resource is the people who live here. You’ll find them friendly, open and welcoming, and eager to share our special corner of the universe with others. All things considered, it’s easy to see why folks have been flocking to Whitefish for more than 100 years... and we hope you’ll join us! 🌟
LONG BEFORE THE first European settlers ever laid eyes on Whitefish Lake, a handful of Native American tribes inhabited the area, most notably the Kootenai, the Pend d’Oreilles and the Bitterroot Salish. Archaeologists say the Kootenai have lived in the area for more than 14,000 years, inhabiting the mountainous terrain west of the Continental Divide, and traveling east of the divide for occasional buffalo hunts. The Salish people occupied territory in Washington, Idaho and western Montana, and shared hunting and gathering grounds with the Kootenai and Pend d’Oreilles tribes during the 1800s.

In the mid-1850s, a group of trappers working the Flathead Valley’s rivers, lakes and streams for beaver and other pelts came upon a group of Indians pulling a native fish species, Whitefish, from a long, narrow lake... and suddenly, after tens of thousands of years, the lake had a name!

Though trappers, traders and waves of westward immigrants passed through the area during the second half of the century, it wasn’t until 1883 that the first permanent settler, John Morton, built a cabin on the shore of Whitefish Lake, just west of the mouth of the Whitefish River. Morton was joined by the forefathers of the local logging industry, including the Baker and Hutchinson brothers, in the early 1890s. Logging crews “boomed-up” their logs behind a dam built at the river mouth by the Boston & Montana Commercial Company, which, when opened, created a rush of water that helped float the logs down the river to Kalispell.

Crews laying track for the Great Northern Railway entered the Flathead Valley from what is now West Glacier in 1891, and initially followed a route through Columbia Falls and Kalispell, then west through Idaho and Washington to the Pacific Ocean. But the route west of Kalispell included a difficult climb over the Salish Mountains... a steep and tortuous grade winding slowly up one side, then just as painstakingly down the other.

It wasn’t long before the railroad’s survey team was sent back to Montana, charged with finding a new (and easier) route out of the Flathead Valley. And that’s when the two most important decisions in the small settlement’s short history were made: the decision to re-route the Great Northern Railway north to Eureka before heading west to the coast; and another to locate the railroad’s regional headquarters at the south end of Whitefish Lake.

The new Whitefish Townsite was surveyed and dedicated in June of 1903. Land was acquired, the rail yards were constructed, and a town was platted. Timber clearing and construction began in earnest, with most of the materials and supplies being hauled-in on a spur line built from Columbia Falls to the new townsite. The “cut-off” connecting Whitefish and Columbia Falls was completed in August of 1904, and the first passenger train arrived at the Whitefish Depot on October 4, 1904. In April of 1905, the Town...
of Whitefish was incorporated and held its first official Town Council meeting.

Timber, farming, ranching and the railroad were the backbone of the town’s economy and culture for the next 50 years. In time, summer cabins began popping-up along the shores of Whitefish Lake, and the strength of the logging industry began to wane. Modern technology (and equipment) led to a severe downsizing of the railroad’s workforce.

The economy was on a downward skid, but changes were on the horizon for Whitefish. A nine-hole golf course and clubhouse were built in the 1950s, and in the early ‘60s another nine holes were added. By the mid-1990s, Whitefish Lake Golf Club had grown to 36 holes—the largest (and best!) in the state.

Meanwhile, a few adventurous Whitefish folks had been bitten by the downhill skiing “bug” in the 1930s and ‘40s, and began hiking to the upper reaches of Hellroaring Mountain so they could ski back down an open slope into the Hellroaring Basin. In 1947, the first ski lift was built at what became Big Mountain Ski Area, these days known as Whitefish Mountain Resort, the cornerstone of our area’s winter tourist trade.

Whitefish is still a working railroad town. More than 400 workers are directly employed by Burlington Northern/Santa Fe, and hundreds of families rely on the jobs that BNSF creates. Amtrak passengers arrive daily at the historic Whitefish Depot, and dozens of freight trains pass through the BNSF rail yards every day, en route from Chicago to Seattle and all points in between.

And the farms and ranches that surround our town continue to produce enough beef, pork, fruits and vegetables to feed the Flathead—and then some!

In recent decades, tourism has risen to the top of Whitefish’s economic food chain. The Whitefish area has gained international recognition as a recreational and retirement haven, a special place to get away from the rat race, raise a family, run a business... and make a difference!

The Stumptown Historical Society saved and owns the iconic Great Northern Railway station in downtown Whitefish, and operates a small museum there focusing on the history of Whitefish and the surrounding area. Visit them at 500 Depot Street.
At Weyerhaeuser, we are working together to be the world’s premier timber, land and forest products company.

Weyerhaeuser Montana is unique in that we have a plywood, lumber and medium density fiberboard plant in the area.

YOU KNOW, THERE’S more to Whitefish, Montana than just breathtaking scenery, an award-winning ski hill, abundant wildlife and a spectacular alpine lake. But there’s no ignoring the obvious: the #1 attraction that brings visitors to our town—the Great Outdoors—also fuels an active lifestyle for residents that is second to none.

Just minutes from downtown Whitefish lies world-renowned Glacier National Park, 1,600 square miles of the most awe-inspiring mountain peaks, waterfalls, rushing streams and glaciers to be found in North America. As the shining jewel in the “Crown of the Continent” region, Glacier attracts millions of visitors each year to hike its 700+ miles of trails, sleep in magnificent 100-year-old log hotels, explore the crags and canyons that abound... and maybe catch a glimpse of a bighorn sheep, a herd of elk or a grizzly bear!

If Glacier is the crown, there are certainly plenty of other “natural jewels” to choose from in the Whitefish area, beginning with Whitefish Lake! The southern shore of the lake, and the ever-popular Whitefish City Beach, is just blocks from the heart of downtown Whitefish. The lake is popular with users of all sorts: swimmers, kayakers, fishermen, water- and jet-skiers, paddle-boarders, ice fishermen, and every imaginable type of motorized—and self-propelled—boat known to mankind.

Whitefish Lake is 7 miles long, 2.5 miles wide and 222 feet deep at its deepest point. In addition to Whitefish City Beach with its family-friendly, roped-off beach, manned lifeguard towers and picnic gazebos, the public can also access the lake at Whitefish Lake State Park on the lake’s west shore, or Les Mason State Park on the eastern shoreline.

In the summertime it’s all about being outside, and there’s no better way to see nature than to hike (or bike) on one of the area’s many trail systems. Whether taking a quiet walk through the old growth forests at Swift Creek, mountain biking in Haskill Basin or trail-running in the Beaver Lakes area, the Whitefish Trail offers a multitude of family-friendly recreation opportunities just minutes from town. With 47 miles of non-motorized trails and 15 easy-to-reach trailheads, there’s truly a destination for every ability. If a casual stroll is more to your liking, try the paved Whitefish Bike & Pedestrian Trail System, which meanders around town and along the Whitefish River.

For a more heart pumping workout, head up to Whitefish Mountain Resort and hike the Danny On Trail to the summit of Big Mountain, where you’ll find breathtaking views of the Flathead Valley, eye-popping fields of colorful wildflowers, and some of the best huckleberry picking around. Those looking for a more relaxing experience can catch a scenic chairlift ride to the top of Big Mountain... but there’s plenty more for the more adventuresome to experience at the resort as well.

The Zip-Line Tour at Whitefish Mountain Resort is one of the most popular summertime activities on the hill, often requiring reservations days in advance. But the Aerial Adventure Park, Alpine Slides, Spider Monkey...
Mountain, Strider Bike Park and summertime tubing are just as popular with visitors and locals alike.

Mountain biking opportunities range from lift-accessed riding at Whitefish Mountain Resort to trail rides just outside of town at Spencer Mountain, the Whitefish Trail, Round Meadows and Tally Lake. There are trails to accommodate everyone from kids on training wheels to the most veteran off-road riders... and road cyclists have a myriad of options in the area as well.

Rock climbing is another popular summer adventure, and Whitefish-based Rock Climb Montana teaches folks from 3 to 80 to climb at spectacular outdoor locations throughout northwestern Montana... no experience needed!

Whitefish has been named a “Top-50 Golf Destination” by Golf Digest Magazine, and it’s no wonder! Nine championship golf courses are within a forty-five minute drive of Whitefish, including two 18-hole courses at the Whitefish Lake Golf Club and one at Northern Pines Golf Club in Kalispell.

The Whitefish Lake Golf Club’s tree-lined fairways and large Bentgrass greens—along
with five different tee options—give the golfer an inviting choice of playability and challenge. Both courses afford spectacular views of the surrounding mountains and lakes, and it’s not uncommon to see wildlife on the course as you enjoy a great round of golf in the Northern Rockies!

If you’re looking to get your heart pounding and adrenaline flowing, look no further than the Middle Fork of the Flathead River, where a number of professional rafting companies will be happy to get you chest-deep in whitewater! The Class II-IV rapids on the Flathead—with names like “Bonecrusher” and “Jaws”—are more than enough to satisfy the whitewater purist, but there is also a menu of gentler options designed with families in mind.

If you’re looking to get a true Old West experience, maybe it’s time to saddle-up and hit the trail! The Whitefish area has several different stables and ranches that offer everything from 1-hour horseback rides to multi-day overnight trips into Glacier National Park and the Great Bear Wilderness.

Summer and fall are “prime time” for sportsmen in the Flathead Valley, as fishing and floating picks up on both the Middle and

Photo Courtesy of Glacier Cyclery & Nordic
North Forks of the Flathead River and a hundred other rivers, streams, lakes and ponds. Anglers flock to our area in search of west slope cutthroat trout, rainbows and whitefish, but they’ll occasionally pull in some hefty bull trout, a kokanee salmon or northern pike. Fall is deer and elk season in northwestern Montana, and those serious about filling their tags will find the hunting here to be both challenging and rewarding.

When winter sets in here in Whitefish, we don’t go into hibernation... we catch our second wind! Winter sports abound here in the shadow of Whitefish Mountain Resort, which this year was ranked the #3 ski resort in the western U.S. by *Ski Magazine*. More than 3,000 acres of skiable terrain, 111 marked trails and 14 lifts beckon to powder hounds and beginners alike. The lift lines are short, the people friendly, the snow plentiful, and—best of all—lift ticket prices are among the most affordable of any major US ski resort.

And if untracked powder is what you’re craving, the folks at Great Northern Powder Guides offer snowcat skiing opportunities that are unsurpassed anywhere!
Off the hill, things are just as busy. Whitefish is a wintertime mecca for snowshoeing, snowmobiling, dog sledding, ski-joring, sleigh riding, ice skating and cross-country skiing.

A wide array of groomed Nordic skiing trails are available throughout the Whitefish area. Tours in Glacier National Park take you through breathtaking scenery, and the Whitefish Lake Golf Club magically transforms into the Glacier Nordic Center in winter—a 15-kilometer Nordic touring center that is tracked and groomed for skating and classic skiing, with five kilometers of lighted trails for night skiing. The Dog Creek Lodge and Nordic Center, located about 20 miles north of Whitefish, is another great option.

Another magnet of wintertime activity is the Stumptown Ice Den, an Olympic-style rink in the heart of Whitefish that is popular with figure skaters, hockey players, curling enthusiasts and recreational skaters throughout northwestern Montana. The "Den" is open year-round, and hosts skating lessons and performances, hockey leagues, tournaments, and daily open skating for the public.

Northwest Montana offers some of the most incredible snowmobiling terrain to be found anywhere, and a number of local businesses have the equipment—and know-how—to make sure your day on the trails is safe and enjoyable. And if you’re looking for a mode of transportation with a little more “horse” and a lot less power, consider a trip to the Bar W Guest Ranch for a horse-drawn sleigh ride and dinner.

For more information on recreation and attractions in the Whitefish area, visit: www.WhitefishChamber.org.

</table>
Imagine what it would be like to live in a place that most people feel lucky to visit once in a lifetime. Well, the fact of the matter is, that's what it's like to live in Whitefish! We don't have to take a vacation to visit Glacier National Park, to grab some “first tracks” at one of America’s top ski resorts, to catch a Broadway play, or to experience the excitement of a small-town rodeo. All that and more is part of our day-to-day life in Whitefish.

It's been said that our community is an island of culture, surrounded by an ocean of mountain recreation. And whether you're looking for that perfect piece of mountain-inspired art, you want to be “wowed” by a top notch theatre troupe, or you're ready to enjoy some Rocky Mountain bluegrass... you're bound to find what you're looking for in Whitefish!

Whitefish is home to both the Alpine Theatre Project and the Whitefish Theatre Company, a pair of dynamic arts organizations who host and produce a variety of offerings year-round on two state-of-the-art downtown stages—at The O'Shaughnessy Center and the Whitefish Performing Arts Center. Whether its world class community theatre at the WTC or a Broadway musical at the ATP, you'll find something to your liking onstage in Whitefish.

The streets of downtown Whitefish are peppered with galleries, retail shops and exhibits for the art lover. Many of our restaurants feature exhibits by local artists, and while Big Sky scenery and wildlife is a popular subject of local artists, there's definitely something for everyone in Whitefish: from pottery to metalwork, from western to modern.

Whitefish Gallery Nights takes place on the first Thursday of each month from May to
October, with participating galleries & shops featuring the works of guest artists... and offering free food and drink to arts aficionados.

The non-profit Stumptown Art Studio, located in the heart of downtown Whitefish on Central Avenue, is also the “heart” of the local arts scene. The studio offers art classes, camps and workshops for people of all ages; they provide gallery space for local artists; and they provide art & outreach programs to Whitefish schools and “special needs” organizations serving our area’s veterans, senior citizens and troubled youth. Best of all, you can walk-in anytime to fuse glass, create pottery or create a Montana-made keepsake!

The Flathead Valley is home to a number of wonderful museums, including the Stumptown Historical Society Museum in the historic Whitefish Train Depot. The museum tells the story of our town’s colorful past, with the Depot itself the prime attraction and artifact. And make sure to check out the Whitefish Ski Heritage Museum located on Wisconsin Avenue (on the way to the lifts)... it includes pictorial exhibits on the “early days” of skiing before Big Mountain Ski Area was founded in 1947, a Hall of Fame honoring local skiing legends and industry pioneers, an extensive video library and more.

Just 10 miles south of town, the city of Kalispell is host to the renowned Hockaday Art Museum, the historic Conrad Mansion and numerous fine art galleries. And while in Bigfork—another 20 miles south—make sure you check-out the Bigfork Summer Playhouse and the cast of characters who bring comedy, drama and musical theater to life on the shores of Flathead Lake.

The Glacier Symphony Orchestra performs classical, holiday, and pops concerts each season, accompanied by world-class (and emerging) guest artists. The Glacier Chorale is a 75-voice symphonic choir, and together the two have brought the world’s greatest music to the Flathead since 1981, including the acclaimed Festival Amadeus, which kicks-off in early August.

Live music abounds in Whitefish. From the open mic nights at our watering holes to “world music” at the O’Shaughnessy Center to the top-notch rock, country, jazz and jam-bands that help keep the blood flowing in January... there’s never a shortage of talented live entertainment in Whitefish!
With COVID-19 still present in our community, major events in our region are subject to postponement or cancellation. Please check event websites for updates as events grow closer.
IT’S BEEN SAID that no one throws a party like Whitefish, and for good reason. The natural beauty of the area, its colorful history and cultural amenities make it the perfect place to hold special events, fairs and festivals that are uniquely Whitefish.

While the COVID-19 situation forced the cancellation of many popular events last year, plans are moving forward for a busy event schedule this summer and beyond. But as we’ve all learned this past year, everything is subject to change. So we suggest you check the official websites for these events and their sponsoring organizations often, so you have the latest and best info.

The summer event season in Whitefish kicks-off in mid-June with the annual Whitefish Woody Weekend, a three-day celebration of classic American wooden boats hosted by The Lodge at Whitefish Lake. Dozens of vintage hardwood cruisers will be on display at the Lodge Marina; a boat parade around Whitefish Lake is planned for Saturday evening, and the craft (and their captains) can be seen buzzing across the lake at full tilt on Sunday, during the Woody Weekend Poker Run.

The only public fireworks display between Flathead Lake and the Canadian border goes off at dusk over Whitefish Lake on the Fourth of July, which in northwestern Montana means 10:30 pm or so! Crowds gather at Whitefish City Beach (and on the water) to watch the show... so grab a spot early!

Held the first weekend in July in Whitefish Depot Park, the three-day Whitefish Arts Festival features the work of more than 100 regional artists and craftsmen, as well as a variety of food vendors and entertainment.

Northwest Montana’s “signature” outdoor music event—the Under the Big Sky Music Festival—returns for its third year in 2022. Last year more than 30,000 music fans—and some of the biggest names in music—gathered at the Big Mountain Ranch for three days of non-stop “Americana” on two different stages. Folk, rock, bluegrass, alt country—and a rodeo—all for the price of admission.

Festival Amadeus, Montana’s only week-long classical music festival, returns to Whitefish in August for its 13th season. Glacier Symphony & Chorale Music Director John Zoltek leads the Festival Amadeus Orchestra with special guest artists in a series of performances at the Whitefish Performing Arts Center and O’Shaughnessy Center.

One of the highlights of summer in the Whitefish area is picking wild huckleberries... and another is the Huckleberry Days Arts Festival: three full days of small-town events, and one big-time arts & crafts show! More than 100 local and regional vendors strut their stuff in Depot Park for three days in mid-August, along with a half-dozen local food trucks and a variety of roaming entertainers and performers.

Late August sees the Whitefish Trail Hootenanny and the SNOW Bus Summer Brewfest take center stage in Depot Park. Great live music, beautiful late August weather and 40 different ice-cold, Montana-made beers on tap... what’s not to like?
Mid-September will mark the return of the Whitefish Songwriter Festival to our town’s performing arts centers and downtown nightclubs. The second-year event features hit-making professional songwriters from Nashville and beyond, along with top singer/songwriters from across the Big Sky State.

For two weekends in late September and early October, Whitefish is transformed to “Munich in the Mountains,” hosting the largest and most authentic Oktoberfest in the Pacific Northwest! Traditional German food, beer, music, dancing, wild audience-participation contests—and gorgeous late-summer weather—bring thousands to town for six nights of Bavarian reveling... all under the Oktoberfest Bigtop in Depot Park!

We all know that Whitefish’s downtown clubs go all-out every night... but on Halloween, watch out! Central Avenue turns into Ghoul Central early on Halloween night, and by 10 PM there are hundreds of costumed characters roaming the entertainment district.

The Christmas Stroll brings our community together in early December to kick-off the Holiday Season in style for a little holiday shopping and a lot of caroling, bonfires, tree-lighting ceremonies, chestnuts roasting, sleigh riding, and—of course—visiting with Santa!

To wrap the year up in style, Whitefish Mountain Resort will help ring-in 2023 with their annual Torchlight Parade and Fireworks extravaganza, held on New Year’s Eve at the ski area. Then it’s on to the New Year and the “graddaddy of ‘em all”... the Whitefish Winter Carnival!

Held the first weekend in February for the last six decades, the event has been named one of the Top 10 Winter Carnivals in the World by National Geographic Traveler magazine. Carnival weekend is the culmination of a month of tongue-in-cheek pageantry and Whitefish-style frivolity, all culminating in a full weekend of events including the raucous Grand Parade and the “Penguin Plunge” into Whitefish Lake on Saturday afternoon.

For details on any of these events and for a full listing of community events, visit the Chamber’s website at www.WhitefishChamber.org.
TAKE A WORLD-CLASS ski hill, spectacular mountain scenery, a thriving “Old West” downtown district and a bit of worldly culture... mix them all together and what do you get? Whitefish, Montana!

Let your appetite be your guide as you experience the full bounty of the Whitefish restaurant scene, beginning with breakfast! Whitefish is home to a half-dozen outstanding a.m. eateries, onetime “secret spots” that are secret no more! Everyone has their favorite... just ask any local, and they’ll point you in the right direction.

For lunch and dinner, the options in Whitefish are endless... from casual pizza joints and Texas-style barbeque to upscale continental cuisine; from Montana-raised beef to authentic Italian, Cajun and Mexican classics; from the Big Sky’s best bar food to elegant dining overlooking beautiful Whitefish Lake, the mountains or the golf course.

Advance reservations are strongly advised for many Whitefish restaurants, especially during the summer months and on ski season weekends and holidays.

Once the dinner hour is done, the bars and nightclubs of downtown Whitefish take on a life all their own. Live bands and DJs keep the dance floors packed at a handful of downtown watering holes, including several with outdoor, rooftop and patio bars.

Several different downtown clubs offer live music, DJs, stand-up comedy and/or dancing 3–4 nights a week throughout the year, including Casey’s, the Remington and the Great Northern Bar & Grill. The Boat Club, Piggyback BBQ, the Firebrand and Logan’s Grill also feature live music on occasion.

Whitefish hosts a pair of brewfests as well as the Whitefish Winter Winefest each year to benefit the Shuttle Network of Whitefish, which operates the free SNOW Bus shuttle service between downtown and the ski area during the winter and summer months.

For more information, see the Restaurant Guide on Pages 31–34, or visit the Chamber of Commerce website: www.WhitefishChamber.org.
After a day full of adventures, join us at Casey’s Whitefish!
Our seasonal menu is thoughtfully crafted using farm-fresh and Montana-first ingredients. Serving delicious food, great drinks, and more!
**OUR MEMBERS ARE** here to serve you some of the finest & tastiest cuisine in the West! Whatever you've got a hankerin' for, there is a restaurant nearby that will provide it with flair and a friendly smile. From steaks to sushi to ice cream to pizza and everything in-between you are sure to find what you are looking for.

SUNTI WORLD ART GALLERY  L  
(406) 862-1084  
345 Spokane Ave, Whitefish  
www.suntiworldartgallery.com  
THE CITY OF Whitefish and surrounding area serve as the “base camp” for visitors to Glacier National Park and the Crown of the Continent region, with thousands of lodging units available for overnight visitors.

Whether you’re looking for a rustic cabin, a luxurious hotel, an award-winning B&B or a slopeside condo, the options available in-and-around Whitefish are sure to provide you with the Rocky Mountain experience you’re looking for.
Our Owners Trust Us.  
Here’s Why You Should Too.

“We are new to the business of property renting, so we came to Stay Montana with a level of unease. Our experience has been a positive one. The Stay Montana Team is easy to work with, responsive, supportive, professional, and pleasant. The booking process has been effortless. The Owner Portal is comprehensive, concise, and easy to navigate. We appreciate the attention to detail in the care of our home.

Stay Montana has been a great partner in our new endeavor.”

- Whitefish Owner of Salish Ridge Retreat pictured above

100 East Second St. Ste. 301 in Whitefish
IN-TOWN HOTELS
More than a dozen different in-town hotels and lodges will keep you close to the action in downtown Whitefish, at the golf course and on the lake. From economical options to Montana’s only AAA 4-Diamond resort, Whitefish has it all!

SLOPESIDE LODGING
Whitefish Mountain Resort offers a wide variety of lodges, condominiums and hotel-style accommodations, all at the epicenter of outdoor activity in northwestern Montana. Located at the base of the ski area, the resort’s Village is also home to a variety of shops, restaurants and bars.

INNS & GUEST RANCHES
Whitefish bed & breakfasts and country inns around the area provide the “personal touch” that Montana is known for, in some incredibly scenic and historic locations. And our world-class guest ranches are unsurpassed in their ability to deliver a true Old West experience.

CONDOS & HOMES
Privately-owned condominiums and homes are another great lodging option, with locations ranging from the slopes of Whitefish Mountain Resort to the shores of Whitefish Lake, and everything in between.

CAMPING & GLAMPING
Last but not least, there are plenty of options for those who want to experience the most traditional type of overnight accommodations in the Rockies... camping! From Whitefish Lake and Tally Lake state parks to private RV resorts, Glacier National Park and the latest craze—glamping—you’ll find something to fit your style in the Whitefish area. See page 42 for more info.

Please see the guide on the following pages for more information on the overnight accommodations available in the Whitefish area, or visit our website: www.WhitefishChamber.org.

MONTANA IS ONE of the most desired places in the country to live, work, raise a family and retire. And Whitefish is one of the top real estate markets in Montana... for good reason.

From spectacular waterfront properties on Whitefish Lake to slope-side lodges and condos at Whitefish Mountain Resort; from sprawling Montana ranches to quaint older homes in the historic downtown district; from mountaintop retreats to cabins in the woods... the Whitefish real estate market has something to fit your taste and lifestyle.

In 2021, the residential real estate market continued to gain strength in Whitefish, with a number of new single-family home, townhome and apartment developments moving forward. That trend is expected to continue in 2022, as demand for housing in our area is at an all-time high.

New commercial building permits are also on the rise in Whitefish, with a number of major projects nearing completion in the downtown area, on Highway 93 South and Wisconsin Avenue... literally everywhere you look!

Northwest Montana has also emerged as one of the most popular places for active retirees. In fact, the Flathead Valley was recognized by Where To Retire magazine as an “ideal” location for retirement thanks to its natural mountain and lake settings, outdoor recreational opportunities, excellent medical services, commercial air service and vast cultural opportunities.

For more information on the Whitefish and Flathead Valley real estate markets, please call one of the many talented, professional and friendly real estate agents listed on Pages 72–73.

SO YOU’VE MADE the decision to make the move to Whitefish. Congratulations and welcome! Here are some useful resources to help make your move smoother.

**BECOMING A MONTANAN**
Montana has several different residency requirements:

**DRIVER’S LICENSES**
For the purposes of obtaining a Driver’s License, you are considered a Montana resident after living in the state for 60 consecutive days, and must have a Montana license in order to operate a motor vehicle. For commercial drivers, the requirement is 30 days.

**HUNTING/FISHING**
For hunting and fishing licenses, you are considered a Montana resident after 180 days. After residency is established, you must continue to live in Montana at least 120 days a year and meet a number of other residency criteria.

**STATE COLLEGES & UNIVERSITIES**
For the purposes of higher education, a student must reside in Montana for a minimum of one full year prior to registration.

**TAX INFORMATION**

**STATE INCOME TAX**
For assistance with individual, non-resident or business tax questions, contact the information Citizen Services Call Center at (866) 859-2254, or visit [http://revenue.mt.gov](http://revenue.mt.gov).

**FLATHEAD COUNTY TAX**
For information on property and other local taxes, visit the Flathead County Treasurer at 935 1st Ave. West in Kalispell, call the Treasurer’s office at (406) 758-5680, or go to: [http://flathead.mt.gov/treasurer](http://flathead.mt.gov/treasurer).
GETTING YOUR LICENSE
New residents must obtain a Montana Driver’s License within 60 days of their arrival in the state. Bring two forms of identification with you, including a valid driver’s license or passport, and proof of your home address (a voter registration card, payroll check or stub, bank statement, utility bill or valid residential lease). Call for an appointment (406) 257-2127 or (866) 450-8034 between 9 AM and 5 PM, Monday–Friday, or online at: https://doj.mt.gov/driving/driver-licensing.

Montana Driver’s Services
1325 Hwy 2 West, Ste E, Kalispell, MT

VEHICLE & BOAT REGISTRATION
New residents must apply for a Montana vehicle title—and register their cars, trucks, motorcycles, trailers, motorboats, jet skis, ATVs and snowmobiles—within 60 days of establishing residency in the state.

Flathead County residents can apply in person between 8 AM and 4:30 PM Monday through Friday, at:

Department of Motor Vehicles

WHITEFISH RESIDENTS AND visitors have access to top-quality healthcare through Logan Health (formerly Kalispell Regional Healthcare), a leader in care for the state of Montana. Two hospitals service the Flathead Valley: Logan Health – Whitefish, located near the corner of Highways 93 and 40, and Logan Health Medical Center in Kalispell. The system extends to surrounding communities with primary care clinics in Columbia Falls, Eureka, Lakeside, and Polson. Additionally, Logan Health Children’s provides high-quality specialized medical care for seriously or chronically ill children.

LOGAN HEALTH – WHITEFISH
Logan Health – Whitefish, at the south end of Whitefish, features a 24/7 emergency department and seven board certified emergency medicine physicians. Logan Health – Whitefish provides a wide range of hospital based in-patient and outpatient services including laboratory and imaging services, minimally invasive robotic and orthopedic surgery, infusion services, and a birth center.

Logan Health – Whitefish offers advanced technologies including DaVinci and Mako robots for robotic surgery, 3D mammography, and infusion services. The beautifully designed hospital facility and outreach clinics are known throughout the valley for the unique Planetree philosophy of person-centered care—an approach that strives to demystify, humanize and personalize the healthcare experience for patients in a healing environment. The Planetree philosophy is evident in everything from the comfortable, welcoming feel of the building design to the compassionate care of employees in all departments at the hospital.

Logan Health – Whitefish is a Baby Friendly Hospital as certified by Baby Friendly USA and administered by the World Health Organization, which recognizes the facility’s

emphasis on infant breastfeeding and keeping families together during childbirth. The Birth Center at Logan Health – Whitefish is a flagship service where highly trained staff welcome an average of 557 new babies every year.

In addition to the hospital, Logan Health – Whitefish operates two seasonal walk-in care clinics to serve residents and visitors alike at Whitefish Mountain Resort (open daily during ski season), and West Glacier Clinic (open daily from Memorial Day through September 30). There are also primary care clinics in Columbia Falls, Eureka, and a behavioral health clinic in Whitefish just south of the hospital.

LOGAN HEALTH MEDICAL CENTER
Logan Health Medical Center has been a center of health care excellence in the Flathead Valley for more than 100 years. Logan Health Medical Center is both a community hospital and a regional referral center, offering the area’s most advanced health services and medical technology.

At Logan Health Medical Center, a comprehensive inventory of sophisticated diagnostics and treatment techniques is available to patients. The hospital is equipped with state-of-the-art technology and staffed by compassionate and highly trained healthcare professionals.

matched by equally specialized, highly-skilled professionals whose experience is respected throughout the area and the nation. Logan Health Medical Center is part of Logan Health, the most comprehensive collection of health care services in Northwest Montana. In addition to Logan Health Medical Center, other members of the Logan Health group include Logan Health – Whitefish, Logan Health Brendan House, Logan Health Medical Fitness Center and Logan Health Children’s.

LOGAN HEALTH CHILDREN’S
Logan Health Children’s, an outstanding new facility on the Logan Health Medical Center campus, provides access to high-quality pediatric specialty care in the Flathead Valley, including the largest group of fellowship-trained pediatric specialists in the state. The facility includes a 12-bed pediatric unit, a six bed pediatric intensive care unit, and a 12-bed neonatal intensive care unit.

EMERGENCY SERVICES
In addition, Logan Health’s Advanced Life-support and Emergency Rescue Team (ALERT) provides our community with the ability to respond to a diverse range of emergency medical situations. Utilizing a Bell 407 helicopter with pilot, nurse, and medic, ALERT has a 350-mile range, and handles approximately 354 emergency transports per year.

With more than 15,000 flights under its belt, the program serves the state of Montana from Cut Bank to Libby and Eureka to Ronan. ALERT is one of the few hospital-operated emergency air transports in the country. From search and rescue missions to emergency retrievals in remote areas, ALERT is committed to serving the community and its visitors.

WORK LESS, PLAY MORE
There are many options available for those who want to work less and play more... but still have all the services they need to stay in good health during retirement. There are several senior living apartments/condominium options in the Whitefish area, as well as assisted living options and nursing homes. The Whitefish Community Center is the base for congregate meals and Meals on Wheels deliveries for the Whitefish area, and offers an array of exercise, social and health screening activities.

FITNESS
The Wave Aquatic and Fitness Center is a non-profit organization dedicated to the health and well-being of the Whitefish community. Built by volunteers with mostly private funds raised right here in Whitefish, The Wave includes an Aquatics Center which features three different pools, a Jacuzzi, sauna, and steam rooms. In the Fitness Center, you’ll find top of the line equipment, first-class free weights, weight machines, and a wide array of cardiovascular equipment.

At MOST we are on the forefront of the latest equipment and developments in Manual, Orthopedic, and Sports Therapy. We know movement and we are outside weekly pushing the limits ourselves.
ONE REASON THAT growing families choose to live in the Whitefish area is the quality educational experience that our local schools offer, from pre-school all the way through college.

Perennially ranked among the top school districts in all of Montana, the Whitefish School District serves more than 1900 students enrolled at three centrally located facilities: Muldown Elementary School (K–4), Whitefish Middle School (5–8), Whitefish High School (9–12), and Whitefish Independent High School, which provides a non-traditional setting for grades 10–12.

Whitefish students are expected to complete a rigorous academic program from kindergarten through grade 12. Major emphasis at the elementary level focuses on strong reading, language and math skills; the middle and high school programs add to that strong foundation a variety of fine arts programs, along with advanced placement classes in English, government, history, science and mathematics.

High school students also have the option of attending Flathead Valley Community College while still at WHS through dual credit courses and the Running Start program. Running Start gives eligible high school juniors and seniors the opportunity to get a start on their college career by earning six free college credits.

One advantage of small town life is that parents have plenty of opportunities to help improve the quality of their kids’ education, and that’s particularly true in Whitefish. The Whitefish Education Foundation, Family Involvement Team, and Bulldog Boosters are among the strongest service organizations in town, and play an active and important role in assuring that Whitefish kids get the best possible education.
The Whitefish Education Foundation is a community based non-profit organization established to maintain and enhance the educational opportunities, programs and standards of Whitefish Schools.

Whitefish Christian Academy serves students in grades K–8. A classical Christian school, WCA cultivates wisdom and virtue in its students through a rigorous, time-tested liberal arts curriculum. Through the joyful discovery of the world around them, students foster an enduring love of learning and graduate as thoughtful, articulate and compassionate young men and women.

Flathead Valley Community College is Montana’s largest two-year public college. The main campus is in Kalispell, a 15-minute drive south of Whitefish. The college offers outstanding academic programs taught by faculty members who have studied, taught and conducted research around the globe. In-person, remote and online instruction is available.

FVCC has learning opportunities and resources for the entire community including continuing education classes, lectures and events, general education courses and career and technical training programs.
A STABLE, WELL educated workforce, an outstanding location, cutting-edge internet connectivity and an unsurpassed quality of life combine to make Whitefish the ideal spot for business success, both now and in the future!

Add to that a new wave of major private and public investment – and a number of Chamber initiatives designed to strengthen and grow the local economy—and we think you’ll agree... Whitefish, Montana is where your business ought to be!

Residential development is, indeed, “roaring” in the 2020s, as the local housing market is busier than it ever has been. Commercial development (and planned development) in Whitefish is just as active, and is approaching levels only seen in the pre-recession “boom” days. Things are particularly hot on Central Avenue and in the downtown core, where new development (and re-development) continue at a blazing pace.

The trend toward three-story, mixed-use buildings shows no signs of stopping, with dozens of new businesses opening up in ground-floor spaces below two stories of short-term vacation rental units.

A half-dozen new businesses opened in 2021 at the south end of Central Avenue, but in 2022 the action will shift to the north. Rumor has it that a new brewery and restaurant will move into the former Great Northern Brewing Company building—which has been vacant for two years—so keep your eyes open!

Just up the block, the vacant lot at the corner of Central and 1st Street won’t be vacant much longer, as a new 40-room boutique hotel, restaurant and bar has been approved for development on the site, along with an underground garage with “hydraulic stacking”... kinda like a vending machine for automobiles.

Stockman Bank opened its doors nearly 70 years ago with a vision to help the people, businesses and communities of Montana realize their dreams. Today, we continue to fulfill this promise with products, services and a local banking experience uniquely designed for Montanans.

Stockman Bank is excited to join the Whitefish Community in 2022. Until then, you can visit us at our Kalispell location at 1 South Main Street.

Montana’s Brand of Banking
Member FDIC | Equal Housing Lender 🏡
Development is also heating up in the 93 South and Wisconsin Avenue corridors, and both of those areas are poised for more of the same in coming years. A half-dozen projects were completed on Highway 93 South last year, including a new car and RV wash, a drive-thru Starbucks, Smile Montana Dental Center, a new bar/restaurant in the old Whitefish Marine building, and a commercial subdivision now selling improved lots on U.S. 93 across from Wright’s Furniture.

There's no doubt about it... it’s an exciting time for Whitefish! And the Chamber is focused on three separate-but-equal strategies for enhancing the Whitefish economy:

- Helping existing businesses get the help they need to survive, grow and thrive;
- Welcoming new companies to Whitefish that will complement the existing business community; and
- Identifying and implementing programs, projects and events that enhance the Whitefish visitor experience, and help to grow tourism in the shoulder and winter seasons.
In addition, the Chamber promotes our community on a local, regional, statewide and global basis, in an effort to:

- Attract new business and investment to Whitefish;
- Create new, high-paying jobs through business relocation, new business start-ups and the expansion of existing companies;
- Promote the Whitefish area’s assets to prospective employers, investors and residents; and
- Improve our community by encouraging planned economic development, strong civic leadership, better education and increased cultural and recreational opportunities.

At its annual Retreat & Planning Conference in November, the Chamber Board restated its commitment to working collaboratively with a host of different groups and agencies who share common interests and constituents, including: the Whitefish City Council, Montana West Economic Development, Whitefish Convention & Visitors Bureau, Glacier AERO, Flathead County Economic Development Authority, Big Mountain Commercial Association, Whitefish Housing Authority, Glacier Park International Airport, six other Chambers of Commerce and the Flathead County Commission... just to name a few. For a detailed look at the Whitefish Chamber’s 2022 Program of Work, visit: www.WhitefishChamber.org.
THE CHAMBER PARTNERS with a handful of other local and regional organizations to provide a full menu of economic development and business assistance services to local employers... and to those considering Whitefish as a home for their new—or relocating—business. Our partners include:

• import/export assistance;
• site location & expansion;
• government contracting assistance;
• HR programs;
• manufacturing;
• marketing & positioning;
• regulatory assistance;
• technology resources;
• and more!
The Whitefish Chamber of Commerce is an independent, not-for-profit business organization that is dedicated to enhancing the economic vitality of our area, while also protecting the unsurpassed quality of life that we all enjoy.

First established in the early 1900s, the Chamber—with more than 470 active members—is one of the leading advocates for business in northwestern Montana. Our members are involved, committed partners who join the Chamber for a variety of reasons, from one-on-one networking and marketing exposure to civic leadership and community service.

The Chamber has a full-time, professional staff that focuses its efforts on improving the Whitefish business environment and enhancing our quality of life. We do this by:

- Actively promoting winter and shoulder-season tourism;
- Identifying and addressing challenges faced by the local business community;
- Providing our members with innovative opportunities to market their products and services; and
- Representing the interests of business at all levels of government.

Recognizing that tourism is the lifeblood of our economy, the Chamber works in partnership with the Whitefish Convention & Visitors Bureau to welcome to Whitefish, and to guarantee that their vacation is as enjoyable as possible.

The Chamber operates the city’s official Welcome Center, helping to keep our visitors informed (and busy) once they get here.
GETTING CONNECTED

The Whitefish Chamber is where people come together to do business, to get involved and to make our community a better place. Members can devote as much or as little time as they like, but by being engaged and getting your employees engaged, you enhance the value of your company’s membership and support the Chamber’s efforts to build a thriving community.

The Chamber offers a variety of opportunities for our members to stay connected with each other and keep up with current issues and events in the community.

Monthly Networking Events
Members gather on the third Thursday of each month at a host business for Gone Fishin’, the Chamber’s popular after-hours networking event. Great food & drink, good company, a chance to do a little business... you get the idea.

Monthly 12@12 Meetings
On the first Wednesday of every month twelve different Chamber members get together at 12 noon with our Chamber staff to talk about their business, share the successes (and challenges) they’re having, and to do a bit of “structured networking” with a dozen fellow Chamber members.

Topical Business Seminars
The Chamber brings in local experts to talk about issues of interest to business owners in a comfortable format. Topics range from tax code changes and HR compliance to Facebook marketing and “Networking 101”... and everything in between.

Community Awards Gala
The Chamber hosts our city’s annual Community Awards Gala each winter, recognizing the outstanding contributions made to Whitefish by local individuals and business owners.

GETTING INVOLVED
The Whitefish Chamber of Commerce is about one thing—doing business. That’s why your active participation in the Chamber is so crucial. We’re committed to focusing on your needs, but we rely on our members’ input and leadership in the process to assure that we’re serving our members—and the community—as best we can.

The Chamber’s annual work program is planned and executed with the assistance of dedicated board, Trustee, committee and task force members, all of whom put their unique perspective, experience and enthusiasm into projects that benefit our member businesses and the community at large.

Committee membership is open to any active Chamber member who is ready, willing and able to make a difference.

BOARD OF DIRECTORS
Elected by the Chamber membership, this 13-member group meets monthly to oversee Chamber operations and establish policy. The Board is responsible for developing, approving and implementing the organization’s annual Program of Work and Budget.

The Chamber Board and staff actively monitor governmental matters that could impact the community or local businesses, make recommendations to the Chamber Board for approval, and initiate appropriate action.

In 2021, Chamber Board and staff members attended scores of City Council meetings, workshops, public meetings and hearings.

The Board’s top priorities for 2022 include:

- Continued implementation of the Whitefish Strategic Housing Plan;
- Identifying dedicated revenue sources to assist in the development of affordable workforce housing;
- Assessing the need/potential for summertime public transit service;
- Updates/upgrades to the Chamber’s websites, social media platforms, IT systems and hardware.

2022 CHAMBER BOARD & OFFICERS
Chairman of the Board
Jeff Raper
National Parks Realty-Forbes

Chair-Elect
Clare Goble
Glacier Restaurant Group

Tony Veseth
Farm Bureau Financial Services

Vance Watson
Budget Rental Cars

Katie Williams
First Interstate Bank

From left, Whitefish Chamber Executive Director Kevin Gartland and staff members Deborah Webb, Shannon Freemont-Smith, and Clint Webb.
WORKFORCE HOUSING TASK FORCE
This group has helped to lead the effort to address our community’s critical shortage of affordable workforce housing. In partnership with the Whitefish City Council, the Task Force in 2016 conducted a comprehensive Workforce Housing Needs Assessment, and in 2017 spearheaded development of the Whitefish Strategic Housing Plan. Chamber Board and staff members continue to serve on the City’s Housing Steering Committee, which is overseeing implementation of the plan. In 2022, the Task Force will focus its efforts on developing an employer-supported revenue stream to assist with the development of housing that is affordable to the Whitefish workforce.

AMBASSADORS COMMITTEE
As the name implies, this group of members are literally the “good will ambassadors” of the Whitefish Chamber, welcoming new members at Chamber events and membership functions throughout the year—Gone Fishin’ mixers, ribbon-cuttings, grand openings and special events, just for starters. They work with our Membership Director to develop new member leads, assist with delivering service to existing members, and encourage all Chamber members to participate in Chamber activities and maximize their benefits.

SPECIAL EVENTS
One great way to get both involved and connected is to serve on an event committee... or to work a volunteer shift or two at one of our popular special events. The Great Northwest Oktoberfest, Christmas Stroll and Feast Whitefish each have committees that meet for months in advance to help plan, promote and organize the event, and Oktoberfest alone requires help from more than 150 volunteers.

ECONOMIC DEVELOPMENT
The Chamber’s economic development efforts are spearheaded by the Chamber’s Board and Trustee members, but input from all Chamber members is needed to help identify and address issues and/or problems of major significance.

For more information on membership or to become active in the Whitefish Chamber, call (406) 862-3501.
The listings below represent the membership of the Whitefish Chamber of Commerce as of January 1, 2022. This directory lists member businesses, service providers and professionals categorically.

See page 76 for Alphabetical Listings. For the most current and complete listing of Chamber members, visit our website at www.WhitefishChamber.org.
