Boating

Our abundant waterways make McMinnville the perfect place for bating, fishing, kayaking, canoeing, and swimming!

Hiking

McMinnville is situated at the foothills of the beautiful Cumberland Plateau, making it the perfect place to take in all mother nature has to offer through hiking, nature-watching, and camping.

Golf & Hunting

Our rolling hills make our golf courses both scenic and fun to play. This terrain is also what makes our area a favorite among deer and turkey hunters year after year.
