- WHERE:** Motlow State Community College's McMinnville Center
- WHY:** Earn your degree at an accelerated pace
- HOW:** Complete an application for ACE by printing it at <http://www.mscc.edu> or pick one up at the McMinnville Center office

This program is intense and fast-paced. Get ready to move on with your degree aspirations. If you are a working adult, want your degree quickly, and are not afraid to follow your dreams, ACE is for you.

Classes are held one night each week for 5 weeks and last for 4 hours each night (except 4 hour courses). There is an additional group study night. You only take one class at a time. You must be a highly motivated, independent learner to be successful with this format. A mandatory attendance policy is strictly enforced.

This program will not allow you to transfer into specific programs such as nursing or education. You should consult with an advisor to ensure you are following the correct degree program.

To enroll, you should complete a Motlow College application for admission and submit a one-time non-refundable \$10 application fee along with your official high school transcript or GED scores and any college transcripts. If you are over 21 and have not previously attended college you will be required to complete COMPASS testing to determine if you have any developmental requirements. Next, complete an application for Adult College Express including an essay as to why you should be selected and 2 letters of recommendation. Upon selection for ACE, you will be required to attend a mandatory orientation session before beginning the program. If you have previously earned college credits, your transcript will be evaluated to determine your eligibility for the program. An interview may be required.

* Developmental courses and high school deficiencies will require extra time to complete the degree
