Chick-fil-A — Chick-fil-A Pleasanton is open Monday through Saturday from 6:30 a.m. to 10 p.m. Nearly everything on the Chick-fil-A menu is made from scratch daily, including salads made from whole vegetables and fruits that are hand-chopped throughout the day. The lemonade is fresh-squeezed and is made from three simple ingredients: lemon, sugar and water. Like all Chick-fil-A restaurants, the chicken served at Chick-fil-A Hopyard & 580 will be 100 percent whole breast meat, without any fillers, hormones or additives. Each chicken breast is hand-breaded to order and pressure cooked in 100 percent refined peanut oil, which is naturally trans-fat- and cholesterol-free. By the end of 2019, every Chick-fil-A restaurant will serve chicken raised without antibiotics.
