World Financial Group, Inc. – World Financial Group (WFG) is a financial services marketing company that provides middle-income families access to time-tested financial tools that have helped change the lives of countless families. The company's independent associates, through WFG's affiliated companies, advocate the power of choice for their clients, offering products from many industry-leading companies. World Financial Group's primary goal and mission is to ensure no family is left behind by helping them develop a financial strategy to achieve their goals and dreams – whether it's to send a child to college, buy a home, retire comfortably or own a business. World Financial Group also offers the opportunity for people from all walks of life to start their own businesses in the financial services industry. As an associate, you are an independent business owner backed by the marketing and administrative services available from the WFG Executive Headquarters. Additionally, experienced field leaders who have built his or her own financial services business from the ground up offer ongoing support to new associates.
