

## Tradeshow Mixer Exhibitors

# What they're saying

### **Sharon Jenkins, John Muir Health**

Director, Corporate Health & Employer Broker Relations

*"... showcase all of our services in a more comprehensive format... 1:1 opportunities to engage in conversations about the services we offer... always draws an energetic crowd!"*

### **Rick Silva, B2B Gathering, Inc.**

Referral Coach

*"...love having a table at the Pleasanton Chamber Tradeshows... The reason? Because they work! ... price is very reasonable, well attended and very well organized... first come first served when selecting a table... I have earned 5 to 15 times my investment for every tradeshow I have ever done... great investment!"*

### **Dr. Marta Baird, Baird Orthodontics**

*"... love participating... whole office gets excited... great way to show the community exactly what our business can do for them... open to the public, they bring in a large amount of foot traffic... definitely brought us a considerable amount of new business and also introduced us to a number of businesses in town that we now work with... get involved with the local business leaders and community."*

### **Tracy Rogers, Alameda County Fairgrounds**

Marketing Coordinator

*"fun, well-attended events... business comes directly or indirectly through networking at the Chamber mixers... important to stay current and connected with our community business leaders and the Tradeshow Mixers allow us to do that."*
