A Legacy of Giving

From January 1999 through June of this year, William "Pat" Getty led the Claude Worthington Benedum Foundation in a manner that truly fulfilled the vision of its founder, Michael L. Benedum, that, "It is our duty to sow and to nurture, leaving it to others to harvest the fruits of our efforts."

There are few - if any - West Virginians who have not been impacted by the work of the Foundation. During Mr. Getty's tenure as President alone, the Foundation awarded nearly 1,900 grants across our state - totaling more than \$200 million.

Join the Charleston Area Alliance for our 2018 Celebration as we hear reflections from Mr. Getty and pay tribute to his leadership - and to the lasting, remarkable impact of the Benedum Foundation's philanthropy in our community and beyond.

**Premier tickets include sponsor reception and meet-and-greet photo opportunity with keynote speaker.*

**General admission tickets include pre-dinner reception, dinner and full program.*

**Program ad artwork due October 10.*
