ECCA Payroll and Benefit Providers Partner with More Services for Your Business

Connecting Business and Community

Benefit Providers in Partnership with ECCA Payroll Services, offers a cost-effective, turnkey approach to all or some of your employee administration services and Human Resources needs.

With customized products and services for both small and large businesses it can help simplify your business operations and let you focus on what matters most: Meeting your customer's needs while remaining profitable.

Offered services include:

Payroll services, provided through ECCA, will deliver fast and consistently accurate payroll service, with built in HR functionality. ECCA has over twenty years of experience serving a range of companies, from small to large. Through its internet based system, you'll have total control of your payroll and human resource information with easy to read reports and detailed information from anyplace you can access the internet!

A division of Benefit Providers is YouPunchit.com which offer a comprehensive Internet based tool to help streamline the entire time and attendance process for you and your employees. Benefit Provider's Internet based Time System (HRe-Time) replaces traditional punch-card method for tracking employee's hours. Employees can

register their in and out time by computer, phone, biometric reader hand, finger print, or new Face Reader.

With Benefit Providers' Multiple Employer 401 (K) Trust (MET), companies of any size can offer their employees the simplest and most cost-effective 401(K) retirement savings plan available.

The Trust offers access to a diverse set of low-expense ratio mutual funds and model portfolios. It offers employers all the benefits of a single employer 401 (K) plan, at less than half of the traditional expenses.

Benefit Provider's internet based HR knowledge base and solutions program provides access to resources and advice designed to help you successfully navigate through today's increasingly complex and ever changing legal, tax and policy regulations.

This Human Resource functionality is crucial in helping you remain compliant with the law, running a successful business, cutting costs and improving productivity and your bottom line. Benefit from access to the latest policy, procedures, professional coaching, and a repository of strategic and tacti-

cal HR advice with Benefit Provider's HR program.

Benefit Administration through Benefit Providers can manage your employee benefit programs allowing you to offer more options to your employees, while saving you time, money and decreasing the probability of human error.

Our benefit administration program can be integrated in to your Payroll and/or HR administration, or done alone.

Our Team at Benefit Providers is passionate about what we do. Our top-of-the-line products are the best in the industry, and we are proud to offer them to you to make your job easier!
