

Since 1987, La Prima Food Group's two divisions have served the metropolitan areas of Washington, D.C., Maryland, Virginia and Philadelphia, PA with a company philosophy of locally sourced food products, customized menus and eco-friendly business practices.

**Catering by Seasons** is the full-service division offering customized menus, plated meals and service staff for any social event. La Prima Catering is the corporate catering division specializing in drop-off menu items perfect for morning and afternoon gatherings.

We are the highest rated green caterer on the East Coast, certified by the Green Restaurant Association. Our award winning efforts in sustainability have been featured in Catering Magazine, The Washington Post and Washingtonian Bride & Groom. Each of our five kitchens is committed to our composting initiatives. They run on 100% renewable energy and use energy efficient appliances. Our delivery vehicles have cut our greenhouse gas emissions in half.

The food prepared by Catering by Seasons and La Prima Catering benefits from our relationships with local farms and our own urban gardens. In season we receive deliveries of organically grown produce from our partner farm, *Groundworks*, in Pittsville, MD.

Specializing in grown-to-order weddings and events, we bring sophisticated, eco-elegant cuisine to the table of any sized event.

We have affiliations with over 60 regional venues in the metro areas. From museums and libraries to historic homes and sites with fantastic views, we work with a variety of unique event spaces.

Our Event Managers and Chefs work with clients to find the perfect venue and then design the most spectacular menu to please the most discerning palate.

Catering by Seasons is proud to have been recognized with the Washingtonian Bride & Groom 2016 Best Wedding Vendor Award and the Wedding Wire 2016 Couples Choice Award.

Visit our sites and let us help make your next event . . .

Seasonal . . . Sustainable. . . Sensational.
