

For many, finding the right mortgage is a daunting task. There are numerous options and it can be difficult for homebuyers to figure out which of all those options is best for them. Perhaps the most important thing potential homeowners can do is find the right loan officer. Kevin Retcher founded First Meridian Mortgage in 1996 and since then this veteran-owned company has grown into a premiere mortgage company in the Mid-Atlantic Region. Mr. Retcher, a former marine, is confident he can find the right kind of loan for each prospective homebuyer's unique needs. "If you have a need," he says, "we can find a source." When it comes to finding that source, Mr. Retcher can look to more than forty of the nation's best lenders to find the loan that fits each client best.

First Meridian Mortgage specializes in No Cost Refinance Mortgages, Refinances, Conventional Loans, FHA Loans, and VA Loans. Although First Meridian Mortgage is based in Alexandria, Mr. Retcher is licensed to work in the Commonwealth of Virginia, the state of Maryland, and the District of Columbia.

With First Meridian Mortgage's

state-of-the-art systems, loan processing is simple and convenient. Additionally, First Meridian Mortgage offers a Rate Watch Program that allows you to fill out a form and First Meridian will notify you when they can reduce your interest rate with no points and no closing cost.

If you are seeking someone who will take the time to listen to and carefully plan with you, consider working with Mr. Retcher. He is committed to offering expert advice and guidance along with the most competitive mortgage interest rates. Mr. Retcher takes great pride in providing dependable help, tremendous value for the dollar, and superior customer service. This level of dedication and commitment to customer service brings people back time and again. Mr. Retcher's clients often return for refinance mortgages and refer him to their friends and family for their mortgage lending needs.

In fact, Scotsman Guide listed him among the top 200 loan originators in volume in 2012 and last year Market Executive ranked him in the top one percent in the nation. These honors are a testament to Mr. Retcher's

work ethic—he closes all of the loans he works on himself. You can feel confident knowing that Kevin Retcher, and the benefit of his eighteen years of experience as a loan officer, will be with you through each step of the loan process.
