At Home

Mount Vernon At Home is a nonprofit membership organization whose mission is to help residents of the Mount Vernon area live safely, comfortably, and confidently in their own homes for as long as possible.

It supports local residents with convenient services, available with one phone call, and links its members in a friendly, mutually supportive "village" of Mount Vernon neighbors.

Examples of services include assistance from volunteers with home and yard maintenance, rides to shopping and medical appointments, referrals to reliable service providers, and an array of social programs and cultural outings.

For example, the organization sponsors monthly lunch and dinner get-togethers at local restaurants, group visits to museums and theatrical performances, field trips to places of interest, and a monthly conversation and discussion with a prominent local resident, held at a member's home.

Memberships are available for single or household units, and there are no age limitations. Mount Vernon At Home currently has more than 95 memberships comprising over 135 individuals.
