Dear Mr. Miller:

Thank you for your letter regarding Alberta's transition from an energy-only market to a capacity market and our goal of achieving 30 per cent renewable energy generation by 2030, as well as Lethbridge's policy on small-scale renewable energy generation.

I appreciate the feedback of the Lethbridge Chamber of Commerce and would be pleased to meet to discuss Lethbridge's recommendations. It would be more convenient for us to meet in Lethbridge. Please contact my Constituency Assistant, Ms. Lisa Lambert, to set up a time to meet. You can reach Ms. Lambert at 403-329-4644.

Sincerely,

Shannon Phillips
