

GET CONNECTED to your Greater Tomball Area Chamber of Commerce!

Greetings,

As your 2019 Chairman of the Greater Tomball Area Chamber of Commerce (GTACC), I would like to personally invite you to come join me and get connected with your fellow chamber members.

This year as more businesses and families are moving into the Tomball area, the GTACC is gearing up for significant growth in membership. Now, more than ever, are ample opportunities to become involved in every aspect the GTACC, whose goal is to be a business resource, as well as an advocate, for the Tomball community, has to offer. These opportunities include networking with a vast array of other members and community leaders, learning about or advocating for businesses in local, state and national affairs, lending your services to the community or volunteering for our special events.

Do you want to know more about all the programs that are offered by and with the Chamber? They can all be found in the 2019 Action Plan. I challenge you to review the Action Plan, reach out to us with any questions you may have, then choose how you would like to “get connected” and share your talents in 2019.

Jim Ross, Tomball ISD
Chairman of the Board
