

# GET CONNECTED to your Greater Tomball Area Chamber of Commerce!

Greetings,

As your 2018 Chairman of the Greater Tomball Area Chamber of Commerce (GTACC), I would like to personally invite you to come join me and get connected with your fellow chamber members.

This year as more businesses are moving into the Tomball area, with the growth around SH 99 and the expansion of SH 249, the GTACC is gearing up for this growth as well. Now, more than ever, are ample opportunities to become involved in every aspect the GTACC, whose goal is to be a business resource, as well as an advocate, for the Tomball community, has to offer. These opportunities include networking with a vast array of other members, learning about or advocating for businesses in local, state and national affairs, lending your services to the community or volunteering for our special events.

When I first became a member of GTACC I wanted to meet and get to know as many business owners as I could in order to build my list of reliable vendors to use and to refer my clients and friends. I achieved that goal was by attending ribbon cuttings, the monthly luncheons, the networking breakfasts (to name a few) and that lead to becoming a GTACC Ambassador. My referral list has grown over the years and so many on the list are now close friends and clients. I found out quickly the meaning of the R in our chamber's R.E.A.L. Values.

Do you want to know more about all the programs that are offered by and with the Chamber? They can all be found in the 2018 Action Plan. I challenge you to review the POW, reach out to us with any questions you may have, then choose how you would like to "get connected" and share your talents in 2018.
