

GET CONNECTED to your Greater Tomball Area Chamber of Commerce!

Tomball, Texas is a vibrant and growing community where people live, work, worship, and play. And, for companies in the Tomball area, business is very good! From the moment I first joined and got involved with the Chamber several years ago, I have witnessed the energy within the Tomball business community ramp-up, year after year. It has been an exciting ride to see my business grow as a result of my personal involvement with the Chamber. You've made the commitment to join the Chamber. Good. That was a smart move. As a member of the business community, your next move is to get involved. The chamber offers many different opportunities to connect with other business leaders. We have something for everyone depending upon your interest, and, perhaps, whether you're a morning person, or not. I believe everyone has something to contribute – either time, talent or treasure. Only through getting involved will you find your niche. For some, it's assisting with Tomball Night or the Tomball Holiday Parade. Some folks enjoy spreading the word of their business by assisting at networking events such as the Breakfast or Luncheon. And, yet, other folks become an Ambassador of the Chamber. The opportunities are truly endless to concurrently grow your business and give back to the Tomball community. The decision is yours. It's your move.

Sincerely,

Chris M. O'Rourke
