

TAKEOUT BLITZ

Posted March 18, 2020

In light of Governor McMaster's press conference announcing that all restaurant and bar dining areas are to be closed for service as of 3.18.20, your Georgetown County Chamber of Commerce has compiled a useful list of restaurants throughout the community who offer take out, curbside service, and/or delivery.

This is a crucial time during this unprecedented event and our local businesses need us now more than ever!

Participate in our Takeout Blitz. See how many local restaurants you can support from now until April 7. Tag us on Facebook and show us your delicious meals from one of the restaurants below. If you show a photo from a Chamber member business, you'll be entered into a drawing for a fabulous prize package from one of our preferred partners! #GeorgetownCountySCTakeOutBlitz
