

March 2019 Newsletter

In the last week of February, we had two special events. [Manoj Saxena](#) kept us in rapt attention about the potential and risks of technology in general and Artificial Intelligence specifically. We also had a busy [Day at the Texas Legislature](#) as part of the Texas Federation of Asian American Chambers of Commerce, visiting with representatives and sharing our policy agenda.

It's March and that means we will be meeting with guests from Asia who are here for SXSW, and in less than 3 weeks, it's our inaugural Asian Eats Night Market. RSVP to our events below!

The big cultural celebration this month is Holi so go out to one of the community events and experience the colors and fun of this Indian celebration. Finally, E3 Alliance is holding [Pathways to Prosperity](#) conversations this month and next. They also need [facilitators](#) and [food donations](#).
