

January 2019 Newsletter

Happy New Year! We hope everyone had a safe and happy holiday. We are delighted to announce that we have been awarded a micro-grant by USPAACC foundation that will partially fund our minority certification program and a pitch event feeding into their [2019 CelebrAsian](#) conference in Houston.

We will soon be interviewing applicants for our [Economic Development Manager](#) position. Please share with anyone you know who is passionate about serving the APA community.

Thinking about being a vendor at our night market but not sure? Attend our info session to get all your questions answered. And don't miss our 2018 report at the Annual Member Meeting. RSVP below.
