GREATER AUSTIN  
**Asian Chamber**  
 OF COMMERCE

## May 2019 Newsletter

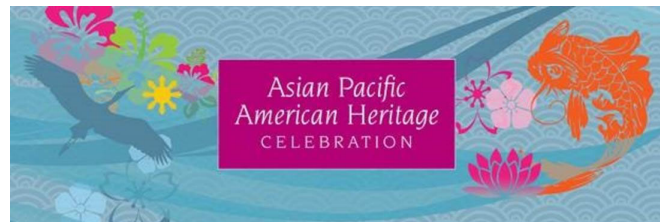

Happy Asian Pacific American Heritage Month! This means... Ovation is just round the corner! We kept registration open for one last day for all you procrastinators. Check out yesterday's [We Are Austin segment](#), and [get your tickets here](#). Don't miss the mahjong lucky draw, everyone's a winner raffle and chances to win some Once in A Lifetime Experiences, all of this helps under-served APAs.

Later this month, we have a workshop on commercial leases and our orientation will feature info sessions on the AARC expansion and the new incentive program for businesses that are adding jobs in Austin. Interested in expanding to Asia? Join us on our [delegation to South Korea and China](#) in July. Today is also the deadline to apply to compete in the [InnoSTARS Competition](#)

Finally, the holy month of Ramadan begins on Sunday for our Muslim friends. Try to attend one of the many iftar (breaking fast) dinners around town.
