Annual Investment Calculation

Annual investment for general Chamber membership is determined by the number of active full-time (40 hours or more) employees working in the business.

County Government

County government membership in the Chamber extends Chamber benefits to all departments and individuals employed by the county.

Banks

Banks pay one regular membership for the main office. Additional branches are assessed at the additional branch rate.

Associate Membership

Associate memberships are reserved for subsidiaries or branches of member-owned companies. The annual investment is based on the parent company or the largest company in the group. Additional locations or companies under the same ownership are assessed at the Associate rate and are entitled to receive all benefits of Chamber membership except as noted below.

Ambassador Welcomings

The Chamber's Ambassador Welcoming ceremony is extended to memberships located in LaGrange County and surrounding areas at an annual investment level of \$150.00 or more.

Approval of membership

All memberships and subsequent renewals are subject to approval by the Chamber of Commerce Board of Directors.
