Restaurants, Cafes, & Taverns:	\$193 base + \$27 per employee (\$670 high volume fast food/\$407 low volume fast food)

Categories determined on individual basis by the Chamber.

Section B:

Your investment amount is based on three factors:

1. Number of full-time employees
2. Square footage of business
3. Gross dollar volume your business does in the Mitchell area

To compute your investment find the factors pertaining to your business, add them together, and apply the total to the investment schedule below (see example).
