**3:00pm-4:15pm**

Climb aboard to revisit America's rich western legacy with a tour at **Hansen Wheel and Wagon Shop**, a family owned and operated carriage and wagon manufacturer established in 1978. With more than 30 years of experience and a staff of dedicated craftsmen, pride is taken in providing the most historically accurate horse-drawn vehicles anywhere this side of the 1800's. A tour at Hansen Wheel and Wagon will bring America's western legacy to life. Watch craftsmen custom-build and restore authentic, horse-drawn wagons including stagecoaches, mud wagons, hitch wagons, chuck wagons, and sheep wagons.
