The Wallowa County Chamber of Commerce  
Oregon's 7 Wonders, The Wallowas!  
"GEOCACHING PASSPORT"

You have arrived at one of Oregon's 7 Wonders – the Wallowas! The Wallowa County Chamber of Commerce extends a BIG WELCOME to geocachers who are visiting the County to find the hidden treasures in our beautiful corner of Oregon.

Be sure to register the Chamber of Commerce cache! Now that you have obtained a passport you can begin your journey to complete the Wallowa County Geocaching Challenge. To receive a Geocaching coin you MUST find 7 required caches that are listed on the passport AND 8 "elective caches" of your choosing. (Total of 15)

**Easy Instructions:**

1. First step is to register the code for the Wallowa County Chamber geocache.
2. At this location you can obtain a passport—either from the geocache or you can step inside the chamber office and get a passport: Mon thru Friday, 8-5, Wallowa County Chamber, 309 S. River Street, Enterprise, OR.
3. You may also download a passport at [www.wallowacountychamber.com](http://www.wallowacountychamber.com).
4. Start your treasure hunt for geocaches in the Wallowas—Oregon 7 Wonders.
5. Each geocache will have a secret code. Record the code in your passport.
6. Bring your passport to the Wallowa County Chamber office to verify the codes from the geocaches you find.

When it is verified that you have found the 7 required caches and also 8 caches of your choice you will be awarded a coin!

You'll need to bring this 'passport' back to the Wallowa County Chamber of Commerce that they can verify your finds.

Each Cache listed has been assigned a “code” ... just look for a “Oregon’s Seven Wonders” symbol with a code marked on it. LEAVE THE CODE in the cache – Just write down the code in this passport!

This passport is designed to take you to ‘all zones’ of our County. There are many other caches not listed in this passport – we hope that you’ll enjoy finding them as you complete this project.

Again, WELCOME TO WALLOWA COUNTY!  
WE LOVE GEOCACHERS!
