It has been an honor for me to serve as your president.

On July 31, our current board year comes to a close and I will truly miss the outgoing Chamber board members, Kirk Hendricks with Kinetics Noise Control and Sharon Kendall with Designations by Design, who have volunteered their time and resources to ensure that the Chamber’s many events and programs run smoothly.

I know that the last several months have been challenging for all of us — personally and professionally. The Dublin Chamber of Commerce has proven to be a trusted resource for advocacy, education and engagement and is proud to serve our business community during the COVID-19 crisis. Over the past few months, the Dublin Chamber has worked hard to support your business. Some examples include:

- Virtual sessions with topics that ranged from the PPP Program and Loan Forgiveness Program, Keeping Employees Engaged While Working from Home, and panel discussions on Navigating Uncertain Times.
- Business Impact Surveys were conducted in March and June to help the Chamber and the City understand what resources businesses need now and how we can help moving forward.
- WeLuvDublinOHBusinesses Facebook group was created to be a place for businesses to connect with the community and share information including re-opening dates, new hours and/or current specials.
- The Dublin Chamber’s webpage was updated with trusted information sources, ways to help in our community, as well as resources for businesses as they reopened their doors.

Looking forward, the Chamber will:

- Continue to coordinate Dublin’s Business Recovery Task Force, which allows us to work with community partners and the City, to discuss how we move forward and support our community and our businesses.
- Promote the Dublin Passport “Support Local, Win Big” program that runs through Aug. 21 to help increase sales at local restaurants, salons, spas and shops. Participants can be entered to win one of many door prizes which include gifts cards from participating restaurants and shops. Learn more and download your passport at DublinChamber.org/WinBig.
- Offer free promotion to our members on social media and in our Chamber emails and website.

Of course, we are always looking for new ways to assist you and all of our local businesses. If you have suggestions or specific needs, please feel free to reach out to the Chamber at 614-889-2001.

Know that we appreciate our members, as you make what we do possible.

Dublin Curbside Concerts

The Dublin Arts Council, City of Dublin, Dublin Chamber of Commerce and the Dublin Convention & Visitors Bureau have joined forces to bring Dublin Curbside Concerts to the community throughout the summer.

In partnership with Greater Columbus Arts Council (GCAC), Can’t Stop Columbus and the Columbus Foundation, these 15- to 20-minute intimate concerts will take place in front of individual homes, on the grounds of senior living facilities and curbside at staffed business patios in Dublin, staged on the bed of a vehicle donated by Germain Honda of Dublin.

How curbside concerts work?

• Make a request: Pick a nominee in Dublin and write a heartfelt message that will be read to them during the show
• We book a local artist
• We organize requests in three to four-hour routes and book one of the area’s best artists for a mini curbside-to-curbside tour
• They play for the special person you nominated
• Artists arrive ready to relay your message and kindness, providing a personalized 15-minute performance that can be enjoyed from the safety of the recipient’s yard, porch or driveway
