Chamber to Publish Annual Community Magazine in 2007

The 2007 edition of *Images of Tyler*, a community magazine sponsored by the Tyler Area Chamber of Commerce, will publish in June.

Images of Tyler is a vibrant, newsstand-quality magazine that showcases the best of Tyler through its people, places and progressive business climate. With all new, original photography and editorial features, the 2007 publication will focus on specific areas of education, the arts, sports and recreation, healthcare, commerce and quality of life. It will be used all year for the purpose of promoting the community to prospective residents, new businesses and visitors.

"*Images of Tyler* 2007 will illustrate the great quality of life we enjoy in our community and promote our economic strength and growth potential to new businesses," says Chamber COO Henry Bell. "Best of all, this highly targeted marketing tool will capture the defined audience our members most want to reach."

Chamber members will have the opportunity to reserve advertising space soon. More than 15,000 copies of the magazine will be distributed through the Chamber and key local businesses, as well as at trade shows, conferences and events throughout the year.

To create a quality guide like *Images of Tyler*, the Chamber partners with Journal Communications (jnlcom.com), an award-winning custom publisher of community and specialty magazines with clients in more than 30 states.

The print magazine is just one part of Journal's complete publishing program that also includes an online magazine and photographic video tour of the community, a targeted distribution network, and a customer acquisition and retention program.

"Journal is proud to partner with a progressive community like Tyler," says Ray Langen, Executive Vice President for Journal Communications. "Great communities make great subjects, and we anticipate a spectacular publication this year. Together we will make *Images of Tyler* the most effective tool to generate a strong return on investment for advertisers and to promote growth in the area."

Visit *Images of Tyler* online at images-tyler.com. For more information about the magazine, contact the Tyler Area Chamber of Commerce at (903) 592-1661 or Journal Communications toll-free at (800) 333-8842.

Chairman's Letter

Happy 2007. We start the year with the largest number of members in the history of the Tyler Area Chamber of Commerce. We are now the fourth largest chamber membership in the state of Texas. And we know that with such great success in attracting new members also comes great responsibility to help foster a business climate that allows these members' businesses to prosper and grow. We have a plan...

The Work Programs generated by each Chamber committee set the stage to build a positive business climate. The Work Programs were ideas from the committee members which are then discussed within the committees and approved by the committees. This process allows each Chamber member the opportunity to participate in forming the Work Programs of our Chamber.

Within the Work Programs are plans for Business After Hours, Small Business Breakfasts, Quarterly Membership meetings with noted speakers, The Senior Expo, The Business Expo, Tyler Day in Austin, Chamber Day at the Airport and the list goes on. Use one of these events or one of the committee meetings to help your business grow and prosper by meeting and networking with other Chamber members. With your involvement and commitment, we will make 2007 another record year for the Chamber and our community.

Join a committee today by going to the Chamber web site at www.tylertexas.com.

Get involved and have a great year.

Tony Cain
Chairman of the Board
2006-2007
