January 2011

**Lynda York**  
Chairman  
2010-2011

## Chairman's Letter

*Happy New Year!*

The New Year is such a wonderful time! Each new year brings with it new hopes, new dreams and new challenges. It's a new start! In Tyler, the New Year is also a time to be thankful for our good fortune compared to many areas of our country. 2010 continued to be a challenging time for our country and our world. The persistent condition of the overall economy has been far reaching and at times very close to home. Tyler however has persevered. Housing prices have remained relatively stable, construction has slowed but found a strong footing, and our retail sales have shown positive signs of consumer confidence. We are doing well.

I take some pride in thinking that each of us has played a role in the success of our community. After all, collectively, we and those who came before us represent the culture that has made our city what it is today. Our Chamber of Commerce has played a vital role with progressive leadership that has enhanced all of our abilities to grow our companies and our community.

As we begin 2011, the various Chamber Committees have met and their Work Programs have been adopted. A lot of time and effort goes into developing the

*Chairman's Letter continued.*

Work Programs and the results are measurable. I would like to invite you to sit in on a committee meeting or better still, join a committee.

In order to maximize your Chamber Membership, I also want to encourage you to take advantage of the many networking opportunities available to you. The Chamber sponsors monthly Business After Hours, Quarterly Breakfasts and Quarterly Luncheons. In addition to those opportunities, the Business Expo is held every January – this year on January 20. Please be involved.

I'm excited to see what we can accomplish together in the coming year. Let's make 2011 a year of great progress for our Chamber and our wonderful community!

## GROUND HOG JOB SHADOW SET FOR FEBRUARY 2

On Wednesday, February 2, 2011, the Education/Human Resources Committee of the Tyler Area Chamber of Commerce will be celebrating Groundhog Student Job-Shadow Day. This is a day dedicated to giving high school students from the Tyler area an opportunity to be the "shadow" of someone working within a career that the student is interested in. Job-shadowing enables students to shadow a workplace mentor as he or she goes through a normal day on the job, providing an up-close look at how the skills learned in school are put into action in the workplace.

Groundhog Student Job-Shadow Day will begin with students arriving at the business location at the regular opening time of the business. After a morning of job-shadowing, students and their business partners are invited to a hosted luncheon at 12:00 noon at Tyler Junior College – West Campus (RTDC). Chad Foster, one of America's most sought-after speakers, will be our guest. After lunch, business partners and their shadows will resume their shadowing activities. If you would like to sign your business up or have any questions, feel free to contact Henry Bell at (903) 592-1661, ext. 230, or Monica Davis at (903) 510-3053.
