## Message From the Chairman

**CHARLES HILL**  
Chairman 2014-2015

A year ago as I pondered my time as Chairman of the Tyler Area Chamber of Commerce I only had one real concern. I wasn't too worried about the hours of committee meetings. I didn't worry about the 10 pounds that Barbara Bass told me I would gain. I even looked forward to working hours upon hours with Tom Mullins and Henry Bell. My only real concern was the scheduled membership event.

Most of you know the Tyler Area Chamber of Commerce does a membership event every three years. They are huge events and a lot of fun... but lots of work! We have a history of setting national records every time we do an event. 2015 was no exception! This year we set a goal of 650 new members. I knew it would be hard work

but with excellent volunteer leadership from our 14 chairmen I knew we could achieve the goal of 650 new members.

And did we set new records! Over 400 volunteers (a national record) spent thousands of hours and recruited 914 new members (another national record) to add \$170,000 in revenue to our bottom line. The result of our event is that we have a membership base that gives us a larger voice as we speak for the business community on Federal, State and local issues.

I want to thank our event Chairmen listed below and all the many volunteers that made these records possible! Also, a project like this cannot be a success without a professional staff. Our staff did all the behind the scenes work flawlessly with a great attitude.

Thank you,  
Charles Hill
