also has an advocacy piece. Even though this is not a State Legislature year, we will lead a delegation to Washington, D.C. where we will address issues negatively impacting our economy with our elected officials. All Committees are ready for your input, so visit and join one today.

There are also many opportunities for you to network and market your business to other Members. You can participate in events such as the upcoming B2B Tyler Expo at Harvey Convention Center or by attending monthly "Business After Hours" mixers, quarterly "Power Networking Breakfasts" and Membership meetings. Watch your Tyler Area Chamber newsletter for details and dates of the events.

The Tyler Area Chamber of Commerce is also an indispensable resource for your business. Your Chamber hosts many training and personal development seminars throughout the Chamber year, such as the recent Business HR Workshop and the upcoming annual Dr. Ray Perryman Economic Outlook.

Our work is just beginning and you are a key part of our community success. So, as you reflect on the many blessings of the recent Holiday and past year, please consider a commitment to serve on a Chamber Committee and add it to the top of your New Year Resolution list.
