

INTRODUCTION FOR BRUCE BOGUSKI

Our speaker, Bruce Boguski, is an author, motivational speaker, trainer, columnist, and media personality well known for his ability to inspire others to "do the impossible". Bruce knows first-hand the attitude and skills required to overcome physical and mental challenges. At age 18, he was paralyzed as the result of an automobile accident. While doctors were wondering whether he would ever walk again, he was busy recuperating. Two years later he had regained full use of his body and went on to become a two-time state champion in racquetball, a football and baseball coach at Van Buren High School and the men's and women's tennis coach at the University of Findlay.

Today, Bruce is President of The Winner's Edge, a peak performance consulting firm in Findlay, Ohio. He has become an internationally known presenter on motivational tactics and mental toughness training for education, sports, business and life.
