Monroe County Chamber Core Values

In this next section, you will read about the Monroe County Chamber's 5 Core Values. In 1-2 sentences please explain what each core value means to you or how you exemplify them.

Think Big, Be Bold – We have a large DREAM and sharing the vision is what compels us to get up every morning to make a difference. We are always scanning the horizon for new opportunities that can make a big impact. We avoid getting stuck in the status quo, we are nimble and can embrace positive change quickly.

Your Success is our Success – We continue to identify and explore new POSSIBILITIES. We are committed to do a great job in all of our endeavors. We eagerly embrace new ideas and try new approaches to old things. When you succeed, we succeed too.

We are Focused on You – We commit ourselves wholeheartedly to identify your needs, deliver meaningful solutions and build an engaged network. Our programs and services are created to help your business and our community THRIVE.

Contagious Passion – We foster an upbeat, friendly and positive environment where we CARE about our relationships with our coworkers and community partners. We are passionate, energetic, determined and we share our spark.

Remarkable Experiences – We deliver programs, services and events that WOW you; that are innovative, creative and above and beyond what you expect. We strive each day to deliver impactful results.
