The Thomson-McDuffie Chamber invites you to participate in a unique, behind-the-scenes experience as a Principal for a Day. A great way to understand one of McDuffie County's strongest assets: our public education system.

This program will take place the week of **Monday, January 8th – Friday, January 12th** in McDuffie County. The educational leader will contact the participant connect and select the date that would be best for them. The program requires the commitment of a full-workday beginning at 9:00 a.m. – 4:00 p.m. If you are interested in participating in this event, please let us know by **Wednesday, January 3rd**.

We will have a reception following the event for all participants to come together and share their experiences and network. This will take place at **Friday, January 12th at 5:30 p.m. at the Norris Elementary Cafeteria.**
