to Offer its Members First Data Merchant Processing Services**

Businesses to Receive Suite of Payment Processing Services as Member Benefit

GODERICH, MARCH 3, 2014 – First Data Canada, a global leader in electronic commerce and payment processing, recently announced an agreement with The Canadian Chamber of Commerce in which First Data will offer Canadian Chamber members exclusive merchant processing services.

As part of this agreement, Huron Chamber of Commerce members will receive preferred rates on electronic payment processing services, including credit, debit, eCommerce, mCommerce, cheque guarantee and gift cards.

“Payment card acceptance is mission critical to most businesses,” said Brian Green, President, First Data in Canada. “Selecting the right provider in this complex market is no easy task for time-starved business operators. First Data’s program offers the value, functionality and respect that the Huron Chamber members demand.”

“I’m so pleased that our members have a new payment processing option,” said Nicole Middelkamp-Hope, Membership Services for the Huron Chamber. “Our members have been asking for a replacement benefit to the discontinued program and First Data is a great new partnership.”

Huron Chamber of Commerce – Goderich, Central and North Huron members can sign up for First Data’s merchant processing services at:
