Submit merchant statements and earn unlimited \$50 VISA prepaid gift cards

Program started June 1, 2019 and runs through August 31, 2019

The new First Data Chamber Incentive Program is open to all Chamber of Commerce (COC) employees. For each merchant statement submitted during this campaign, each COC employee will receive a **\$50 VISA PREPAID GIFT CARD** (whether or not the merchant signs up for First Data payment processing). This program incentive is **in addition to the regular referral incentives which include a \$100 one-time referral fee and 15% recurring revenue residual.**

It's easy as 1-2-3. Just follow these simple steps!

1. PROMOTE

Leverage your relationships and your influence to promote and further encourage your members to simply do a statement comparison. Your member is guaranteed savings, or a \$1,000¹ prepaid Mastercard® if we cannot beat their current payment processing rates.

2. SUBMIT

Email the merchant's full contact information² to chambermember@firstdata.com and include a complete and recent merchant statement. The statement must be complete and not older than 60 days. Program excludes Square merchants.

3. GET REWARDED

First Data will tally the qualified referrals the last Friday of June, July and August 2019. For each merchant statement submitted, the COC employee will receive a **\$50 VISA PREPAID GIFT CARD** the week immediately following the end-of-month tally date. This program is an incentive program **in addition to the regular referral incentives which include a \$100 one-time referral fee and 15% recurring revenue residual.**
