

Trick or Treat Booth Sponsor

This is a great way to advertise and promote your business if you are not in the downtown area or want to be right in the middle of the event.

You will have one 10x10 vendor space to put up a business-supplied tent for use of marketing. The spaces will be distributed along Milwaukee Street.

Bring flyers, bounce back coupons, product display/sampling, banners, decorations, anything you can think of to brand your booth and spread the word about your business. You will also be listed on the Delafield Chamber website, social media and event calendar.

Cost: \$100

Mail or email this form to the Chamber with your payment.
